JUDICIARY

After consideration on the merits, the Committee recommends the following:

HB21-1215 be amended as follows, and as so amended, be referred to the Committee on Appropriations with favorable recommendation:

Amend printed bill, strike everything below the enacting clause and substitute:

"SECTION 1. Legislative declaration. (1) The general assembly hereby finds and declares that:

1 (a) The justice reinvestment crime prevention initiative is a
2 community-led program that provides grants for direct services aimed at
3 reducing crime and recidivism as well as small business lending to
4 promote employment and community development in the target
5 communities of north Aurora and southeast Colorado Springs;

6 (b) This program is in its pilot phase, and preliminary data
7 indicates successful outcomes in both of the target communities;

8 (c) There are likely strategies that can demonstrate effectiveness
9 in both rural and urban settings, and there are also likely to be important
10 differences and distinctions, so this initiative would be more meaningful
11 and useful if it includes both rural and urban communities; and

12 (d) Therefore, there would be substantial benefit for the state to
13 expand the program to include the two rural communities of Grand
14 Junction and Trinidad, including surrounding unincorporated areas, in
15 order to design and effectuate community-based safety strategies and
16 services in a rural setting.

17 (2) The general assembly further finds and declares that:

18 (a) Approximately seventy-seven million Americans, or one in
19 three adults, have a criminal record and there is substantial empirical
20 evidence that having a criminal record is a barrier to employment;

21 (b) The National Conference of State Legislatures estimated that
22 the employment barriers faced by people with felony convictions were
23 associated with a reduction in the overall employment rate, amounting to
24 an estimated loss of at least 1.7 million workers from the workforce and
25 a cost of at least \$78 billion to the economy;

26 (c) These circumstances negatively impact the individual, his or
27 her family and community, and the state;

28 (d) Although there have been concerted efforts at both the policy
29 and direct service levels to help people with criminal records obtain
30 employment, little has been done specifically to provide training and
31 other support for those who are interested in starting their own business;
32 and

33 (e) Small business ownership is one of the ways to integrate
34 people fully into society and, if given training and assistance by local
35 nonprofit organizations, people who have previously been in the criminal
36 justice system would be in a better position to provide valuable services,
37 goods, and jobs to their communities and the state.

38 **SECTION 2.** In Colorado Revised Statutes, 24-32-120, **amend**
39 (1)(a), (1)(b)(I), (2)(b), (2)(c) introductory portion, (2)(c)(I), (2)(c)(II),
40 (2)(c)(V), (2)(c)(VI), (2)(d), (2)(e) introductory portion, (2)(f), (2)(i)(III),
41 (2)(i)(IV), and (3); and **add** (2)(c)(VII) and (2.5) as follows:

42 **24-32-120. Justice reinvestment crime prevention initiative -**
43 **program - rules - cash funds - reports - definitions - repeal.**

44 (1) (a) The division of local government shall administer the justice
45 reinvestment crime prevention initiative to expand small business lending
46 and provide grants aimed at reducing crime and promoting community
47 development in the target communities of north Aurora and southeast
48 Colorado Springs. EFFECTIVE SEPTEMBER 1, 2021, THE TARGET
49 COMMUNITIES MUST ALSO INCLUDE THE GRAND JUNCTION AND TRINIDAD

52 2017, the division shall develop and implement an initiative in
53 accordance with policies developed by the executive director specifically
54 designed to expand small business lending in the target communities
55 described in this subsection (1). An initiative developed and implemented

13 CITY LIMITS, THE DIVISION SHALL ISSUE A REQUEST FOR PARTICIPATION TO
14 SELECT ONE OR MORE ADDITIONAL DEPOSITORY COMMUNITY
15 DEVELOPMENT FINANCIAL INSTITUTION LOAN FUNDS TO SERVE THE GRAND

18 (2) (b) (I) On or before September 10, 2017, the executive director
19 shall issue a request for participation and select a community foundation
20 or foundations to manage the grant program. To be eligible, the
21 community foundation must be registered in the state of Colorado and
22 have a history of grant-making in the target community in areas consistent
23 with the permissible uses of funding described in subsection (2)(e) of this
24 section. The division may select one community foundation to serve both
25 target communities or may select one community foundation for each
26 target community.

27 (II) ON OR BEFORE SEPTEMBER 1, 2021, IF THE COMMUNITY
28 FOUNDATIONS CONTRACTED PURSUANT TO SUBSECTION (2)(b)(I) OF THIS
29 SECTION ARE NOT ABLE TO ALSO EFFECTIVELY SERVE THE GRAND
30 JUNCTION AND TRINIDAD AREAS, INCLUDING UNINCORPORATED AREAS
31 OUTSIDE OF THE CITY LIMITS, THE DIVISION SHALL ISSUE A REQUEST FOR
32 PARTICIPATION AND SELECT ONE OR MORE COMMUNITY FOUNDATIONS OR
33 THIRD-PARTY GRANT ADMINISTRATORS AS DEFINED IN SECTION
34 25-20.5-801 (3)(a) TO MANAGE THE GRANT PROGRAM OR PROGRAMS FOR

MESSAGE(S) FROM THE GOVERNOR

I certify I received the following on the 7th day of May, 2021, at 5:05 p.m. The original is on file in the records of the House of Representatives of the General Assembly.

Robin Jones,
Chief Clerk of the House

May 7, 2021

The Honorable Colorado State House of Representatives
The 73rd General Assembly
First Regular Session
Colorado State Capitol
200 East Colfax Avenue
Denver, CO, 80203

Dear Honorable Members of the Colorado State House of Representatives:

Today I vetoed House Bill 21-1092, "Concerning the eligibility of a candidate for Lieutenant Governor to be a candidate for another elected office" at 4:00 p.m.

House Bill 21-1092 (HB 21-1092) allows a person to be a candidate for Lieutenant Governor (Lt. Governor) and at the same time another elected office, except the office of a U.S. Senator or Representative in Congress. Simply put, it would allow an individual to run for another state, county, or municipal office while simultaneously running for Lt. Governor. If elected to both offices for which a candidate is running, she or he must accept the office of Lt. Governor and resign from the other office. The resulting vacancy would then be filled according to the process in current law.

Colorado should be proud of its history of voting and elections. We were the first territory to allow women to vote, and we were early adopters of universal vote-by-mail. Coloradans have shown, and continue to show, that we are an active electorate, dedicated to one person, one vote. The same should be true for the candidates who run for elected office. While I recognize that some states in the country allow candidates to run for multiple offices at once, I do not believe that is a practice to be admired and I do not believe Colorado should be one of those states. Instances of the same candidate running for multiple offices on the same ballot only serve to further the ambitions of professional politicians at a great cost of increased voter confusion and disengagement.

1 Together, Lt. Governor Primavera and I ran on the idea of creating
2 a Colorado for All, by reducing health care costs, expanding universal
3 pre-k, investing in clean energy technologies, and generating new
4 economic opportunities for all. We have been successful in all of these
5 areas. We ran on ideas that we were passionate about, and Coloradans
6 voted us into the office to accomplish them. Like many of those elected
7 with us on both sides of the aisle, we believe all our elected officials
8 should run for office because they believe in public service and doing the
9 best job possible for Colorado. The people of Colorado deserve no less
10 than Candidates who run for the office in which they intend to serve, not
11 some office that only serves as a backup to them. HB 21-1092 diminishes
12 these principles, instead applying the “fishing with dynamite” method to
13 elections - whatever lands on shore will work. Colorado deserves the
14 leaders with the best ideas to win the office they want to hold, not
15 politicians who run for multiple offices on the same ballot.

16
17 I am also concerned about the future implications of a bill like
18 HB 21-1092. While this mechanism may rarely be used -- in this case,
19 once every four years for, at most, a handful of individuals running
20 concurrently for Lt. Governor and another office -- when it is, it will have
21 the unintended consequence of stifling competition, preventing new
22 leaders from running for office, and disincentivizing new candidates to
23 run for down-ticket elections. It is further complicated by the fact that
24 traditionally when a Lt. Governor candidate becomes part of a
25 Gubernatorial candidate’s ticket, they adopt a common platform: that of
26 the gubernatorial candidate. If an individual under this bill were to run
27 for one office on their own individual platform and another office on what
28 may be a somewhat different platform as a running mate for a
29 gubernatorial candidate in the very same election, how can voters know
30 what version of the candidate they are getting and what they actually
31 would stand for?

32
33 In addition, under this bill, an unelected nominating committee
34 would have the power to appoint an individual to the non-Lt. Governor’s
35 office if a candidate wins both offices. We have historically reserved the
36 vacancy process for necessary situations; not for when a candidate
37 voluntarily runs for two offices at once, an unnecessary situation that can
38 be avoided by this veto. This process would not be fair; not to the
39 electorate, government, parties, or other candidates. Instead, it simply
40 serves the personal interests of the candidate and insider political party
41 committees.

42
43 In conversations with the sponsors about this bill, they rightly
44 brought up concerns with the current candidate vacancy process; that a
45 handful of individuals fill candidate vacancies for seats that represent tens
46 of thousands of Coloradans when a candidate vacancy is caused for any
47 reason. While we differ on whether this bill is the remedy, I agree with
48 the premise that the candidate vacancy process is flawed. This bill
49 highlights an opportunity for Colorado to examine the candidate vacancy
50 process, especially when it involves a nominating committee. We would
51 support, and encourage, the General Assembly to consider legislation that
52 would further democratize this process.

53
54

1 This bill would change a fundamental part of our election process
2 in which a candidate runs for one office at a time. We appreciate the
3 General Assembly's work to pass bills that further our State's safe and
4 secure election process. Colorado is truly a leader in this arena. The
5 people of Colorado deserve a Lt. Governor who wants to serve in the
6 office they are running for and directs their attention to winning over
7 electors for themselves and their running mate with their ideas and plans.

8
9 Therefore, HB 21-1092 is disapproved and vetoed.

10
11 Sincerely,
12 /signed/
13 Jared Polis
14 Governor

14
15 Dear Honorable Members of the Colorado General Assembly:

16
17 Today, I signed into law House Bill, HB 21-1048, "Concerning a
18 requirement that retail establishments accept United States Currency."

19
20 House Bill 21-1048 ("HB 21-1048") requires retail businesses that
21 offer goods or services to accept cash in order to purchase those goods or
22 services. This new requirement only applies to establishments that accept
23 payment in person, and transactions that require a security deposit or a
24 credit card number to cover unforeseen damages or expenses are not
25 subject to the requirements of HB 21-1048. The penalty for violating the
26 provisions of this bill is a class 2 petty offense, which is punishable by a
27 fine of up to \$250.

28
29 I appreciate the sponsors' and stakeholders' efforts to pass
30 HB 21-1048, but am concerned about the long-term implications and
31 implementation for the criminal penalty created in this bill. The liability
32 established in this bill is too vague as written. Again, the bill states that
33 a violation is a class 2 petty offense punishable by a fine of up to \$250.
34 As comparison, other class 2 petty offenses include selling cigarettes to
35 a minor, operating a motorboat when under 16 years of age, or failure to
36 extinguish a campfire. In all of these cases, the defendant is clearly
37 established. However, it is unclear who would be charged with the petty
38 offense created by HB 21-1048. Does it apply to the retail establishment?
39 The manager on duty? The individual at the counter who refuses to accept
40 the cash? This type of ambiguity is unhelpful and may render this bill
41 practically unenforceable. I have concerns that the language could cause
42 confusion amongst retail establishments, their employees, and consumers
43 as they partake in these transactions and welcome clarification in future
44 legislation.

45
46 In addition, I would caution the General Assembly against the
47 creation of new criminal penalties as the Colorado Commission on
48 Criminal and Juvenile Justice (CCJJ) continues its work to complete new
49 sentencing guidelines. While we will have an opportunity to address this
50 in the future, it is important to be thoughtful about the creation of new
51 criminal penalties.

52
53 While I am signing the bill into law, I am also requesting the
54 General Assembly to do the following:
55

1. Introduce legislation that further clarifies whom the penalty applies to, to ensure streamlined implementation. Other states and cities that have enacted similar legislation have laid out clear penalties and enforcement.
2. Evaluate the impact of this legislation on retail establishments, local governments, future payment methods, and consumers in the next five to ten years, by adding a sunset.

We thank the sponsors and stakeholders for their hard work on this topic and appreciate their consideration.

Sincerely,
/signed/
Jared Polis
Governor

16

17 Dear Honorable Members of the Colorado Senate:
18

19 It is my honor to inform you that I have approved and filed with the
20 Secretary of State the following Act:

21
22 Senate Bill 21-205 CONCERNING THE PROVISION FOR PAYMENT
23 OF THE EXPENSES OF THE EXECUTIVE, LEGISLATIVE, AND
24 JUDICIAL DEPARTMENTS OF THE STATE OF COLORADO, AND
25 OF ITS AGENCIES AND INSTITUTIONS, FOR AND DURING THE
26 FISCAL YEAR BEGINNING JULY 1, 2021, EXCEPT AS
27 OTHERWISE NOTED.
28

29 Approved May 17, 2021 at 11:27 A.M.
30

31 The FY 2022-23 budget, a product of collaboration and teamwork with
32 Colorado's leaders in the General Assembly, sets aside a record level of
33 reserves to protect our future, restores significant cuts made to address the
34 pandemic challenges, and fuels the recovery by investing in economic
35 stimulus for businesses and households.
36

37 We especially want to thank the members of the General Assembly for
38 these top priority items for Colorado included in my budget request:
39

40 **Reserves:** This budget sets aside the largest reserve on record, 13.4% of
41 General Fund, to protect the State from unpredictable revenue swings as
42 we recover from this global pandemic and economic shock, and help
43 protect against future reductions to school funding, increases in fees, and
44 cuts to our state safety-net in the next few years. History warns us that a
45 recession will impact multiple budget years, and therefore saving for the
46 future and increasing reserves will help us weather the longer-term
47 impacts of the economic downturn.
48

49 **Restoring reductions:** This budget restores major reductions made to key
50 areas in FY20-21 and ensures essential services across government,
51 including education, healthcare, public health, and fire mitigation and
52 response among others.
53
54

1 ***Economic Stimulus:*** This budget funds immediate economic stimulus
2 that will bridge us to recovery, investing in jobs and growth that benefits
3 small businesses and those hardest hit. This budget for next fiscal year
4 makes room for a more than \$1 billion stimulus investment in the current
5 fiscal year, including bills passed in the Special Session that contributed
6 over \$300 million to support economic recovery, and the more than \$800
7 million currently being considered by the legislature as part of the Build
8 Back Stronger package.

9
10 These priorities and more as detailed in Attachment 1 represent a budget
11 with the right priorities for Colorado.

12
13 Lastly, Attachment 2 to this letter sets out the Administration's
14 interpretation of footnotes and FTE in S.B. 21-205.

15
16 In closing, I would like to express my Administration's gratitude for the
17 work performed by the Joint Budget Committee members, the Joint
18 Budget Committee staff, the staff of the Office of State Planning and
19 Budgeting, and the Department budget analysts throughout Colorado's
20 government for their dedication to a responsible and effective budget.

21
22 Sincerely,

23
24 Jared Polis
25 Governor

30
31
32 Attachment 1: Budget Highlights

33
34 Department of Agriculture

- 35 • The budget devotes an additional \$79,869 in funds to expand hemp
36 enforcement, which will maintain Colorado's position as a national
37 leader for economic development and regulatory guidance in the
38 hemp industry.

39
40 Department of Corrections

- 41 • The budget includes an increase of \$0.4M General Fund for
42 transitional work programs for inmates.

43
44 Department of Education

- 45 • The budget (including a placeholder for the School Finance Act)
46 increases State funding for K-12 public schools by almost \$600M,
47 which represents a 14% increase over FY 2020-21 levels. This
48 budget fully restores the cut that was made to public schools in FY
49 2020-21 and returns the Budget Stabilization Factor to the FY 2019-
50 20 level of \$572M – reaching an all-time low as a percent of Total
51 Program funding. In addition, this budget maintains a robust State
52 Education Fund reserve of \$460M to cover the expected budget
53 shortfall for education in FY 2022-23 and guard against an increase
54 in the Budget Stabilization Factor. The budget provides a \$7M
55 increase to restore cuts that were made in FY 2020-21, specifically
56 the Charter School Institute (CSI) Mill Levy Equalization Fund,

1 Quality Teacher Recruitment, K-5 Social and Emotional Health, and
2 the School Counselor Corps Grant Program to support student
3 financial aid completion. The budget also supports a State match for
4 the Colorado Imagination Library Program, which will provide one
5 free book per month to children from birth through age five. Finally,
6 the budget includes a \$100M transfer from the Marijuana Tax Cash
7 Fund to BEST cash grants for capital construction improvements to
8 public schools.
9

10 Department of Healthcare Policy and Financing

- 11 • This budget invests in new initiatives that will improve the health of
12 Coloradans enrolled in Medicaid. For example, Medicaid members
13 will be able to receive more services in their own homes through
14 remote supports, thanks to a \$940,000 investment in new
15 technologies. In addition, this budget devotes \$7.5M to modernize
16 the eligibility and claims systems of multiple behavioral health
17 programs by leveraging the department's existing IT systems; funds
18 \$6.5M in initiatives to give more rural health care providers access to
19 critical health information systems and analytics (in collaboration
20 with the Governor's Office of eHealth Innovation); and increases by
21 \$5.9M the department's efforts to address health care disparities
22 through enhanced data transfers and analytics. The budget also funds
23 an additional 667 enrollments into the Adult Comprehensive Waiver
24 for individuals with intellectual and developmental disabilities, with
25 a \$15.5M increase that will reduce the number of people on the
26 waitlist to receive these important services. And this budget includes
27 a 2.5 percent increase in provider reimbursement rates, which will
28 increase payments by \$157.7M.
29

30 Department of Higher Education

- 31 • The budget provides a \$494M increase to restore operating support
32 for institutions of higher education to the FY 2019-20 level. In
33 addition, institutions received an overall increase in state funding for
34 operating of 9.6% or \$81.8M. Financial aid was increased by \$18.5M
35 for need based aid, including a \$1M increase for the evidence-based
36 COSI program. The budget also caps resident undergraduate tuition
37 growth to 3% except for the University of Northern Colorado. The
38 budget provides \$2.9M increase to restore the cut that was made in
39 FY 2020-21 to the Educator Loan Forgiveness Program established
40 by S.B. 19-003 to pre-pay the full cost of one cohort of 100 teachers
41 receiving 5 years of loan forgiveness per year
42

43 Department of Human Services

- 44 • The budget provides \$8.2M to transfer the authority for Early
45 Intervention direct services from the Department of Education to the
46 Department of Human Services. It also increases funding for the
47 Nurse Home Visitor Program, behavioral health crisis services for
48 children and youth, the National School Lunch Program, and for
49 SNAP outreach to increase SNAP enrollment and reduce food
50 insecurity for SNAP-eligible Coloradans. Finally, the budget
51 supports the implementation of the federal Family First Prevention
52 and Services Act. These funds support investments in independent
53 assessments to help ensure the most appropriate placement for
54 children involved in the child welfare system, as well as continued
55 investments in evaluation of programs that can prevent the need for
56 out-of-home care in the first place.

- 1 Department of Labor and Employment
- 2 • The budget increases funding to support implementation of
- 3 Colorado's Just Transition Plan, which will work with coal workers
- 4 and communities across the State that are affected by the transition
- 5 from coal-based power production by providing services such as
- 6 training, job search assistance, and relocation support. Additionally,
- 7 the budget provides increased funding to strengthen enforcement of
- 8 Colorado labor laws by providing informational materials in
- 9 additional languages and building on existing legal and software
- 10 resources.
- 11
- 12 Department of Local Affairs
- 13 • The budget increases funding for the Law Enforcement Community
- 14 Services (LECS) Grant Program to allow the program to make grants
- 15 to improve community policing, training, and other policing services.
- 16 The budget maintains funding for the Gray & Black Market
- 17 Marijuana Enforcement Grant Program. Program changes this year
- 18 will allow the State to better target funds for the prevention and
- 19 enforcement of illegal marijuana cultivation in Colorado.
- 20
- 21 Department of Natural Resources
- 22 • The Long Bill budget increases funding at Colorado Parks & Wildlife
- 23 by \$0.2M to support staff and operating costs for the new Fishers
- 24 Peak State Park, as well as \$0.1M at Colorado Parks & Wildlife to
- 25 support a staff person to coordinate Colorado's efforts to improve
- 26 habitat connectivity and migration corridors for wildlife.
- 27
- 28 Department of Public Health and Environment
- 29 • The Long Bill budget takes a significant step towards streamlining the
- 30 Department's disease control and public health capacity by making
- 31 a net-zero reorganization of multiple divisions. The reorganization
- 32 consolidates the existing Office of Emergency Preparedness and
- 33 Response (OEPR), Division of Disease Control and Environmental
- 34 Epidemiology (DCEED), and Laboratory Services Division (LAB)
- 35 into a new Disease Control and Public Health Response (DCPHR)
- 36 division and Office of HIV, Viral Hepatitis and Sexually Transmitted
- 37 Infections. The budget also makes an increase of \$1.1M and 10.5
- 38 FTE to expand health equity practices and staffing at the Department.
- 39
- 40 Department of Public Safety
- 41 • This budget includes \$4M for the Body-Worn Cameras for Law
- 42 Enforcement Grant Program. The budget also includes an increase of
- 43 \$1.3M to manage Colorado's procurement, storage, and distribution
- 44 of Personal Protective Equipment (PPE), \$0.9M to maintain funding
- 45 for the 5.0 FTE who assist rural law enforcement agencies in the
- 46 investigation of illegal marijuana growing operations, and \$0.1M to
- 47 perform facility inspections on a new behavioral health entity license
- 48 type.
- 49
- 50 Department of Revenue
- 51 • This budget has \$2.5M to digitally transform the DMV, making key
- 52 investments to make interacting with the State government more
- 53 convenient and better aligned with the 21st century expectations of
- 54 Coloradans. This budget also allows for the State Lottery to more
- 55 effectively market in-state games, reduce inventories, and innovate
- 56 products to create a better experience for players and send more
- 57 money to Colorado's great outdoors!

1 Statewide

- 2 • The budget includes a 3 percent across-the-board (ATB) salary survey
3 increase for all state employees.

6 Attachment 2: S.B. 21-205 Footnotes and FTE

7
8 It is the Governor's constitutional obligation to review the General
9 Appropriations Bill and exercise the line item veto when necessary. We
10 recognize and appreciate the legitimate and reasonable expression by the
11 General Assembly of the intent associated with certain appropriations contained
12 in the FY 2021-22 Long Bill. In fact, many of these expressions of intent are
13 based on information contained within the original Executive Branch budget
14 requests. In general, we interpret most of these expressions of intent as
15 different from attempts to administer appropriations or to pursue substantive
16 law via the general appropriations bill. Thus, we have not vetoed any of the
17 footnotes in S.B. 21-205.

18
19 While the Legislature has the prerogative to express its intent, the Executive
20 Branch maintains the clear and inherent responsibility to administer
21 appropriations (see *Colorado General Assembly v. Owens*, 136 P.3d 262 (Colo.
22 2006); *Colorado General Assembly v. Lamm*, 704 P.2d 1371 (Colo. 1985); and
23 *Anderson v. Lamm*, 195 Colo. 437, 579 P.2d 620 (1978)). For this reason, we
24 have directed Executive Branch agencies to comply with the intent of the
25 footnotes contained in S.B. 21-205 only to the extent practicable and
26 appropriate.

27
28 Moreover, if operational needs dictate otherwise, the Executive Branch will not
29 be constrained by any limitations implied within any of the Long Bill
30 footnotes. In particular, many footnotes in S.B. 21-205 may constitute attempts
31 by the General Assembly to administer the appropriation, including:

- 32
33 • those that indicate dollar amounts for expenditure in specific
34 programs or for specific purposes;
35
36 • those that indicate limits on dollar amounts for expenditure in specific
37 programs or for specific purposes; and
38
39 • those that indicate specific expectations for programmatic
40 expenditures or activities.

41
42 As such, Executive Branch agencies may deviate from the intent expressed in
43 any footnote as necessary.

44
45 As with past administrations, we are concerned with the General Assembly's
46 inclusion of full-time equivalent positions (FTE) within the general
47 appropriations act. The Colorado Supreme Court's opinion in *Anderson v.*
48 *Lamm*, 195 Colo. 437, 579 P.2d 620 (1978) clearly states that "specific staffing
49 and resource allocation decisions" in a general appropriations bill are
50 unconstitutional. The Supreme Court affirmed this finding in *Colorado*
51 *General Assembly v. Owens*, 136 P.3d 262 (Colo. 2006). Further, it remains
52 our opinion that any predetermined prescription of FTE authorization limits the
53 ability of State agencies to make the most resource-effective use of
54 appropriations to accomplish critical performance objectives.

1 Therefore, Executive Branch agencies are instructed to manage their
2 appropriations within the scope of the dollars appropriated in S.B. 21-205 and
3 without limitation by the bill's FTE authorizations.

13 employment.” As I am neither signing nor vetoing House Bill 21-1051
14 (HB 21-1051), the bill will become law on May 25, 2021, at 12:01 a.m.,
15 and will take effect on the applicable effective date set out in the bill.

16

17 HB 21-1051 allows public organizations to name only a single
18 finalist for an executive position (such as school superintendent,
19 university president, or city manager). The applications for those not
20 hired or named a finalist are not subject to the Colorado Open Records
21 Act (CORA). The bill also repeals a provision in the law that if three or
22 fewer candidates for an executive position meet the minimum
23 qualifications, all of those candidates must be treated as finalists and their
24 applications subject to CORA.

25

26 Sponsors, proponents, and opponents of HB 21-1051 have all
27 made strong arguments about the legislation. On one side, sponsors and
28 proponents argue that HB 21-1051 strikes the right balance between
29 protecting unsuccessful candidates’ privacy (and therefore eliminating
30 disincentives for applying for such positions) and providing a mechanism
31 for public scrutiny of finalists’ applications. According to this argument,
32 Colorado benefits by attracting the best candidates and leaders from
33 around the country, who may apply for public service positions without
34 fear of embarrassment if they are not selected for the position.
35 Meanwhile, opponents have argued that HB 21-1051 reduces government
36 transparency and accountability with no demonstrable public benefit and
37 that there is no documented proof that public disclosure under CORA has
38 harmed the state’s ability to recruit highly qualified candidates.

39

40 In my view, while the bill creates flexibility for organizations by
41 leaving to their discretion the number of finalists who are publicly named,
42 it should remain a best practice to release the names of several finalists.
43 I agree candidates should be entitled to some degree of privacy when
44 applying for positions, so that the highly qualified may apply without fear
45 of embarrassment, retribution, etc. I also agree that public-facing
46 organizations should be held to the highest transparency, accountability,
47 and integrity standards when hiring candidates for vital executive
48 positions. Transparency can help ensure that a qualified and diverse
49 candidate pool was considered, a thoughtful hiring process was followed,
50 and that the best candidate was ultimately selected for the position. I
51 encourage the General Assembly and organizations impacted by the bill
52 to monitor HB 21-1051’s future impacts to determine if it has struck the
53 right balance between competing priorities.

54

55

1 Those in public office should be committed to the principles of
2 transparency and accountability. While HB 21-1051 does permit
3 disclosure of finalists' information, it offers organizations the option of
4 designating just one person as a finalist for an open position. I believe
5 that beyond the language of this new law, the desire to maintain the
6 people's trust provides organizations with the necessary motivation to
7 make applicant information available for public inspection.
8 Organizations should do what is right for the people of Colorado,
9 recognizing that they have the discretion to continue the current practice
10 or provide additional disclosures. And for those who are not committed
11 to transparency, the remedy is for voters to consider these circumstances
12 the next time they fill out their ballot.

13
14 An effective and open government depends on leaders and
15 organizations developing, maintaining, and harnessing the people's trust.
16 This means telling the truth, using facts, and following well-established
17 and proven processes. Use of the provisions in HB 21-1051 should be the
18 exception, not the rule. I encourage all organizations to be forthcoming
19 in their hiring processes and alert the public when finalists have been
20 identified.

21
22 Fulfilling our commitments to Coloradans for an open government
23 and freedom of information is vital to the health of our democracy, and
24 our ability to govern effectively. I thank the sponsors, proponents, and
25 opponents of HB 21-1051 for sharing their perspectives on this bill, and
26 their continued work to serve the best interests of Colorado.

27
28 Therefore, I have allowed HB 21-1051 to become law without my
29 signature.

30
31 Sincerely,
32 /signed/
33 Jared Polis
34 Governor

41 "SECTION 1. **Legislative declaration.** (1) The general
42 assembly finds that:

43 (a) Increasingly, insurers use external consumer data and
44 information sources, as well as algorithms and predictive models using
45 external consumer data and information sources, in their insurance rating,
46 underwriting, claims, and other business practices;

47 (b) Although such tools have the potential to benefit insurers and
48 consumers by simplifying and expediting insurance rating, underwriting,
49 and claims processes, the accuracy and reliability of external consumer
50 data and information sources can vary greatly, and some algorithms and
51 predictive models may lack a sufficient rationale for use in insurance
52 practices; and
53

1 (c) The use of particular external consumer data and information
2 sources, as well as algorithms and predictive models using external
3 consumer data and information sources, by insurers may have a
4 significant negative impact not only on the availability and affordability
5 of insurance for protected classes of consumers, but also on the utilization
6 of such insurance.

7 (2) The general assembly therefore declares that in order to ensure
8 that all Colorado residents have fair and equitable access to insurance
9 products, it is necessary to:

10 (a) Prohibit:

11 (I) Unfair discrimination based on race, color, national or ethnic
12 origin, religion, sex, sexual orientation, disability, gender identity, or
13 gender expression in any insurance practice; and

14 (II) The use of external consumer data and information sources,

3 The Honorable Colorado General Assembly

4 State Capitol

5 200 E. Colfax Ave.

6 Denver, CO 80203

7

8 Dear Honorable Members of the Colorado General Assembly:

9

10 Today, I signed into law House Bill 21-1117 (“HB 21-1117”),
11 “Concerning the ability of local governments to promote the development
12 of new affordable housing units pursuant to their existing authority to
13 regulate land use within their territorial boundaries.”

14

15 HB 21-1117 amends Colorado land use statute to allow local
16 governments to adopt inclusionary zoning if they have either adopted or
17 are adopting zoning laws that promote density and more housing. I
18 appreciate the sponsors’ and stakeholders’ efforts to pass HB 21-1117.
19 I am particularly pleased that this bill includes incentives for local
20 governments to modify their zoning laws to promote density and housing
21 development. Cost of housing is simply a function of supply and
22 demand. There is a lot of demand for housing in Colorado because
23 Colorado is a terrific place to live. The last thing we should want is to
24 reduce demand by making Colorado a less desirable place to live.
25 Therefore, we are left with increasing housing supply to reduce costs, and
26 now local governments that are proactively increasing housing supply
27 will also be able to use a new tool if they want. Housing development,
28 especially affordable housing, is critical to Colorado's recovery and
29 economic prosperity. Zoning laws that promote density, like reduced
30 parking requirements for residential or mixed use developments or
31 allowing accessory dwelling units, will help increase housing
32 availability.

33

34 Additionally, I want to emphasize the need to reduce regulatory
35 barriers that can hinder the development of housing and increase housing
36 costs at a time when we should be encouraging development and
37 decreasing costs. Whether or not local governments choose to enact
38 inclusionary zoning, I strongly encourage them to think strategically and
39 holistically and apply a broad spectrum of policies that will improve
40 housing affordability and accessibility. In thinking about this issue, I
41 caution local governments to carefully consider that by removing housing
42 inventory from the market, the inclusionary zoning authority contained
43 in this bill could place additional upwards pressure on housing costs. The
44 naturally occurring increased cost of housing in cities with inclusionary
45 zoning can be more than offset by the zoning reforms in this bill that local
46 governments need to demonstrate to unlock the additional authority.
47 Therefore, on the whole, a city that aggressively implements the upzoning
48 reforms in this bill can still reduce the overall cost of housing despite the
49 use of inclusionary zoning.

50

51 The Department of Local Affairs (DOLA) has and will continue
52 to work with local governments to develop strong land use practices and
53 help provide clarity on the new powers derived from this bill. DOLA’s
54 guidance will be a resource as localities adopt these new zoning options.

55

1 We thank the sponsors and stakeholders for their hard work on this
2 topic and appreciate their consideration.

3
4 Sincerely,
5 /signed/

7 Governor

25 INTERIM COMMITTEE AND, IF APPROVED, SHALL BE PAID BY VOUCHERS AND
26 WARRANTS DRAWN AS PROVIDED BY LAW FROM APPROPRIATIONS MADE BY
27 THE GENERAL ASSEMBLY FOR THE PURPOSES OF THIS PART 20.

28 **2-2-2002. Issues to study - recommendations to general**
29 **assembly - legislative declaration.** (1) AT A MINIMUM, THE INTERIM
30 COMMITTEE SHALL STUDY THE FOLLOWING ISSUES:

31 (a) HOW TO MODERNIZE THE "PUBLIC SCHOOL FINANCE ACT OF
32 1994" TO MAKE THE SCHOOL FINANCE FORMULA MORE TRANSPARENT,
33 EQUITABLE, AND STUDENT-CENTERED;

34 (b) WHETHER THE CURRENT METHOD FOR IDENTIFYING AT-RISK
35 PUPILS IS AN APPROPRIATE, ACCURATE METHOD FOR IDENTIFYING AND
36 WEIGHTING STUDENTS WHO, BECAUSE OF THEIR LIFE CIRCUMSTANCES, ARE
37 IN GREATER NEED OF SERVICES AND SUPPORTS TO GIVE THEM
38 OPPORTUNITIES EQUAL TO THOSE OF THEIR PEERS TO ACHIEVE THEIR
39 ACADEMIC POTENTIAL, AND, IF NOT, THE APPROPRIATE METHOD FOR
40 ALLOCATING ADDITIONAL RESOURCES TO THOSE PUPILS, WHICH METHOD
41 MAY BE INFORMED BY THE POVERTY STUDY COMMISSIONED PURSUANT TO
42 SECTION 2-2-2003;

43 (c) WHETHER TO REDESIGN THE ALLOCATION OF FUNDING IN THE
44 SCHOOL FINANCE FORMULA FOR SCHOOL DISTRICT COST-OF-LIVING AND
45 PERSONNEL COSTS TO LIMIT FUNDING TO ONLY SIGNIFICANTLY HIGH-COST
46 SCHOOL DISTRICTS THOUGH THE CREATION OF A FIXED AMOUNT OF
47 ADDITIONAL PER PUPIL FUNDING FOR HIGH-COST SCHOOL DISTRICTS;

48 (d) THE APPROPRIATE METHOD TO ADDRESS SMALL, REMOTE, AND
49 RURAL SCHOOL DISTRICT FUNDING, INCLUDING WHETHER A DIFFERENT
50 WEIGHT SHOULD BE APPLIED IN THE SCHOOL FINANCE FORMULA FOR THE
51 SIZE FACTOR FOR SMALL, REMOTE SCHOOL DISTRICTS AND WHETHER TO
52 REDESIGN THE DISTRIBUTION OF RURAL SCHOOL FUNDING RECEIVED
53 PURSUANT TO SECTION 22-54-142;

54 (e) ALTERNATIVE EDUCATOR SUPPORT FOR SCHOOL DISTRICTS FOR
55 TEACHING STUDENTS ENROLLED IN KINDERGARTEN THROUGH SECOND
56 GRADE; AND

1 (f) THE BENEFITS AND CHALLENGES OF INCORPORATING SPECIAL
2 EDUCATION SERVICES FUNDING INTO THE SCHOOL FINANCE FORMULA.

3 (2) (a) THE GENERAL ASSEMBLY FINDS AND DECLARES THAT
4 DRAMATIC DIFFERENCES IN LOCAL PROPERTY WEALTH AND THE ABILITY
5 OF SOME SCHOOL DISTRICTS TO OBTAIN VOTER APPROVAL TO COLLECT
6 PROPERTY TAX REVENUE IN ADDITION TO THAT PROVIDED BY TOTAL
7 PROGRAM MILL LEVIES HAS LED TO INEQUITY IN THE AMOUNT OF FUNDING
8 AVAILABLE TO SERVE STUDENTS IN SCHOOL DISTRICTS THROUGHOUT THE
9 STATE. TO LESSEN THIS INEQUITY, IT IS APPROPRIATE TO IDENTIFY ONE OR
10 MORE METHODS BY WHICH TO SUPPORT EFFORTS BY LOW-PROPERTY
11 WEALTH DISTRICTS TO SUPPORT THE NEEDS OF THEIR STUDENTS THROUGH
12 MILL LEVY OVERRIDES FOR OPERATING PURPOSES.

13 (b) THEREFORE, IN ADDITION TO THE ISSUES SPECIFIED IN
14 SUBSECTION (1) OF THIS SECTION, THE INTERIM COMMITTEE SHALL DESIGN
15 AND RECOMMEND A PROGRAM BEGINNING IN THE 2022-23 BUDGET YEAR
16 TO SUPPORT STUDENTS BY ASSISTING LOW-PROPERTY WEALTH SCHOOL
17 DISTRICTS IN OBTAINING VOTER APPROVAL FOR ADDITIONAL MILL LEVIES
18 PURSUANT TO SECTION 22-54-108 BY PROVIDING STATE MATCHING
19 MONEY. IN DESIGNING THE PROGRAM, THE INTERIM COMMITTEE SHALL
20 CONSIDER:

21 (I) HOW TO ADDRESS OUT-OF-DISTRICT STUDENTS AND
22 MULTI-DISTRICT ONLINE PROGRAMS THAT INCREASE A SCHOOL DISTRICT'S
23 PUPIL COUNT AND TOTAL PROGRAM FUNDING BUT DO NOT CONTRIBUTE TO
24 THE COLLECTION OF PROPERTY TAXES IN THE SCHOOL DISTRICT;

25 (II) HOW THE MIX OF RESIDENTIAL AND NON-RESIDENTIAL
26 PROPERTY DIRECTLY AFFECTS ASSESSED VALUES AND THE AMOUNT OF
27 PROPERTY TAX REVENUE COLLECTED IN THE SCHOOL DISTRICT DUE TO
28 DIFFERENCES IN THE ASSESSMENT RATES;

29 (III) THE DISTRICT MILL LEVY CAPACITY THRESHOLD AT WHICH
30 SCHOOL DISTRICTS WOULD BECOME ELIGIBLE FOR STATE MONEY TO MATCH
31 MILL LEVY OVERRIDES AND HOW THE THRESHOLD WILL IMPACT THE
32 NUMBER OF ELIGIBLE SCHOOL DISTRICTS;

33 (IV) THE APPROPRIATE NUMBER OF MILLS A SCHOOL DISTRICT
34 SHOULD BE LEVYING FOR TOTAL PROGRAM TO BE ELIGIBLE FOR THE
35 PROGRAM;

36 (V) THE APPROPRIATE MANNER IN WHICH TO CONSIDER INSTITUTE
37 CHARTER SCHOOLS LOCATED IN SCHOOL DISTRICTS PARTICIPATING IN THE
38 PROGRAM; AND

39 (VI) ANY OTHER RELEVANT CONSIDERATIONS, AS DETERMINED BY
40 THE INTERIM COMMITTEE.

41 (c) THE INTERIM COMMITTEE MAY INTRODUCE LEGISLATION
42 PURSUANT TO SECTION 2-2-2001 TO IMPLEMENT THE PROGRAM DESIGNED
43 AND RECOMMENDED BY THE INTERIM COMMITTEE PURSUANT TO THIS
44 SUBSECTION (2).

45 (3) BASED ON THE STUDY OF ISSUES DESCRIBED IN THIS SECTION,
46 THE INTERIM COMMITTEE MAY MAKE LEGISLATIVE RECOMMENDATIONS TO
47 THE GENERAL ASSEMBLY ADDRESSING HOW TO MOST ACCURATELY MEET
48 THE EDUCATIONAL NEEDS OF INDIVIDUAL STUDENTS THROUGH THE
49 FUNDING OF EDUCATION IN COLORADO.

50 **2-2-2003. Poverty study - contract - report - legislative**
51 **declaration - repeal.** (1) (a) THE GENERAL ASSEMBLY FINDS AND
52 DECLARES THAT:

53

1 (I) FREE AND REDUCED-PRICE LUNCH ELIGIBILITY FOR THE
2 FEDERAL "RICHARD B. RUSSELL NATIONAL SCHOOL LUNCH ACT", 42
3 U.S.C. SEC. 1751 ET SEQ., IS A MEASURE BY WHICH SCHOOL DISTRICTS
4 RECEIVE ADDITIONAL FUNDING THROUGH THE AT-RISK FACTOR IN THE
5 SCHOOL FINANCE FORMULA;

6 (II) WHILE MANY STATES PROVIDE ADDITIONAL FUNDING BASED
7 ON REDUCED-PRICE LUNCH ELIGIBILITY, IN COLORADO, AT-RISK FUNDING
8 HAS TRADITIONALLY BEEN ALLOCATED ONLY FOR STUDENTS WHO ARE
9 ELIGIBLE FOR FREE LUNCH;

10 (III) THE FEDERAL "RICHARD B. RUSSELL NATIONAL SCHOOL
11 LUNCH ACT", 42 U.S.C. SEC. 1751 ET SEQ., WAS DESIGNED AS AN
12 ANTI-HUNGER PROGRAM, NOT AS A SINGLE PROXY FOR CAPTURING
13 STUDENT NEED. ECONOMIC DISADVANTAGE IS COMPLEX AND IS AFFECTED
14 BY MANY FACTORS BEYOND INCOME, INCLUDING WEALTH, LOCAL COST OF
15 LIVING, AND FLUCTUATING HOUSEHOLD EXPENSES.

16 (IV) IN THE LONG TERM, COLORADO'S RELIANCE ON FREE LUNCH
17 ELIGIBILITY AS THE SINGULAR POVERTY PROXY FOR SCHOOL FINANCE
18 PURPOSES IS INACCURATE AND UNSUSTAINABLE, AND SERVES AS A
19 BARRIER TO DELIVERING ESSENTIAL RESOURCES TO STUDENTS WHO NEED
20 THEM;

21 (V) FREE LUNCH ELIGIBILITY IS A BINARY MEASURE BY WHICH A
22 STUDENT IS CONSIDERED ECONOMICALLY DISADVANTAGED OR NOT AND
23 FAILS TO ACCOUNT FOR VARYING LEVELS OF POVERTY AND THE
24 CORRESPONDING LEVELS OF NEED THAT EXIST AMONG STUDENT
25 POPULATIONS;

26 (VI) THE RECENT CHANGES TO FEDERAL POLICY THAT ALLOW ALL
27 STUDENTS TO RECEIVE A FREE LUNCH WITHOUT SUBMITTING AN INCOME
28 ELIGIBILITY FORM NEGATIVELY IMPACTED COLORADO'S AT-RISK PUPIL
29 COUNT IN THE 2020-21 SCHOOL YEAR AND WILL CONTINUE TO DO SO IN
30 THE 2021-22 SCHOOL YEAR, WHICH MAY RESULT IN ANOTHER
31 UNDERCOUNT AND UNDERESTIMATION OF RESOURCES NEEDED TO SERVE
32 ECONOMICALLY DISADVANTAGED STUDENTS;

33 (VII) ADDITIONALLY, DURING THE COVID-19 PANDEMIC,
34 COLORADO'S DECENTRALIZED METHOD OF COLLECTING INCOME
35 ELIGIBILITY DATA CREATED BARRIERS TO REACHING FAMILIES WHO WERE
36 ELIGIBLE FOR PANDEMIC ELECTRONIC BENEFIT TRANSFER PAYMENTS,
37 RESULTING IN FEWER THAN HALF OF THE ELIGIBLE CHILDREN RECEIVING
38 THE BENEFIT;

39 (VIII) DUE TO THE CONTINUED USE OF THE MISALIGNED PROXY
40 FOR DETERMINING STUDENT NEED AND THE CONTINUED
41 UNDERESTIMATION OF ECONOMIC DISADVANTAGE, COLORADO STUDENTS
42 WHO WOULD BENEFIT THE MOST FROM ADDITIONAL SUPPORT ARE GOING
43 WITHOUT IT; AND

44 (IX) STATE POLICY CAN MORE ACCURATELY ACCOUNT FOR AND
45 RESPOND TO STUDENTS' ECONOMIC CIRCUMSTANCES. OTHER STATES HAVE
46 MOVED AWAY FROM RELYING ON ONE SELF-REPORTED MEASURE, SUCH AS
47 FREE AND REDUCED-PRICE LUNCH ELIGIBILITY, TOWARD AN INDEX OF
48 MEASURES OF NEED THAT AUTOMATICALLY QUALIFY STUDENTS FOR
49 SCHOOL MEALS OR FOR ADDITIONAL FUNDING THROUGH THE SCHOOL
50 FINANCE FORMULA.

51 (b) THEREFORE, THE GENERAL ASSEMBLY DECLARES THAT
52 STUDYING METHODS TO IDENTIFY ECONOMIC DISADVANTAGE AMONG
53 STUDENTS PRECISELY AND HOLISTICALLY IS AN IMPORTANT AND
54 NECESSARY GOAL IN PROVIDING PUBLIC SCHOOLS WITH THE RESOURCES
55 NECESSARY TO ENABLE ALL STUDENTS TO ACHIEVE ACADEMIC SUCCESS.

1 (2) (a) TO UNDERSTAND ALTERNATIVE APPROACHES TO BETTER
2 IDENTIFY ECONOMIC DISADVANTAGE AMONG STUDENTS, THE INTERIM
3 COMMITTEE, SUBJECT TO AVAILABLE APPROPRIATIONS, SHALL CONTRACT
4 WITH A THIRD-PARTY VENDOR TO COMPLETE A STUDY TO ANALYZE
5 VARIOUS METHODS OF MEASURING STUDENT ECONOMIC DISADVANTAGE
6 AND THE NECESSARY DATA AND SYSTEMS ALIGNMENT THAT WOULD BE
7 NEEDED TO INCORPORATE THOSE MEASURES INTO THE STATE'S SCHOOL
8 FINANCE FORMULA.

9 (b) THE INTERIM COMMITTEE SHALL ISSUE A REQUEST FOR
10 PROPOSALS FOR QUALIFIED THIRD-PARTY VENDORS TO COMPLETE THE
11 POVERTY STUDY DESCRIBED IN THIS SECTION. BY SEPTEMBER 1, 2021, THE
12 INTERIM COMMITTEE SHALL CONTRACT WITH A VENDOR THAT HAS
13 EXPERTISE OR DEMONSTRATED EXPERIENCE ASSISTING STATES IN
14 EXAMINING MEASURES OF ECONOMIC DISADVANTAGE FOR PURPOSES OF
15 SCHOOL FUNDING. THE CHAIR OF THE INTERIM COMMITTEE, IN
16 CONSULTATION WITH THE INTERIM COMMITTEE MEMBERS AND THE
17 DEPARTMENT OF EDUCATION, SHALL SELECT THE THIRD-PARTY VENDOR TO
18 COMPLETE THE POVERTY STUDY.

19 (3) APPROACHES FOR ANALYZING OR IDENTIFYING STUDENT
20 ECONOMIC DISADVANTAGE AS PART OF THE STUDY MAY INCLUDE BUT ARE
21 NOT LIMITED TO:

22 (a) DIRECT CERTIFICATION;

25 APPROPRIATE, A STANDARD PROCEDURE TO EVALUATE ADULTS WHO HAVE
26 COMMITTED A SEXUAL OFFENSE, INCLUDING ADULTS WITH AN
27 INTELLECTUAL AND DEVELOPMENTAL DISABILITY. THE PROCEDURES MUST
28 PROVIDE FOR AN EVALUATION OF SUCH PERSONS AND RECOMMEND
29 MANAGEMENT, MONITORING, AND TREATMENT BASED UPON EXISTING
30 RESEARCH AND SHALL INCORPORATE THE CONCEPTS OF THE
31 RISK-NEED-RESPONSIVITY OR ANOTHER EVIDENCE-BASED CORRECTIONAL
32 MODEL. THERE IS CURRENTLY NO WAY TO ENSURE THAT AN ADULT WHO
33 HAS COMMITTED A SEXUAL OFFENSE WITH THE PROPENSITY TO COMMIT
34 SEXUAL OFFENSES WILL NOT REOFFEND. BECAUSE THERE ARE ADULTS
35 WHO HAVE COMMITTED A SEXUAL OFFENSE WHO CAN LEARN TO MANAGE
36 UNHEALTHY PATTERNS AND LEARN BEHAVIORS THAT CAN LESSEN THEIR
37 RISK TO SOCIETY IN THE COURSE OF ONGOING TREATMENT, MANAGEMENT,
38 AND MONITORING, THE BOARD SHALL ADOPT A PROCEDURE FOR
39 EVALUATING, ON A CASE-BY-CASE BASIS, RELIABLY LOWER-RISK ADULTS
40 WHO HAVE COMMITTED A SEXUAL OFFENSE WHOSE RISK TO SEXUALLY
41 REOFFEND MAY NOT BE FURTHER REDUCED BY PARTICIPATION IN
42 TREATMENT AS DESCRIBED IN SUBSECTION (3)(b) OF THIS SECTION. THE
43 BOARD SHALL ADOPT AND IMPLEMENT METHODS OF INTERVENTION FOR
44 ADULTS WHO HAVE COMMITTED A SEXUAL OFFENSE. THE METHODS MUST
45 HAVE AS A PRIORITY THE PHYSICAL AND PSYCHOLOGICAL SAFETY OF
46 VICTIMS AND POTENTIAL VICTIMS AND MUST BE APPROPRIATE TO THE
47 ASSESSED NEEDS OF THE ADULT WHO COMMITTED THE SEXUAL OFFENSE,
48 SO LONG AS THERE IS NO REDUCTION IN THE SAFETY OF VICTIMS AND
49 POTENTIAL VICTIMS.

50 (b) (I) **Guidelines and standards for treatment of adults who**
51 **have committed a sexual offense.** THE BOARD SHALL ADOPT,
52 IMPLEMENT, AND REVISE, AS APPROPRIATE, GUIDELINES AND STANDARDS
53 TO TREAT ADULTS WHO HAVE COMMITTED A SEXUAL OFFENSE, INCLUDING
54 ADULTS WITH AN INTELLECTUAL AND DEVELOPMENTAL DISABILITY,
55 INCORPORATING IN THE GUIDELINES AND STANDARDS THE CONCEPTS OF
56 THE RISK-NEED-RESPONSIVITY OR ANOTHER EVIDENCE-BASED

1 CORRECTIONAL MODEL, WHICH GUIDELINES AND STANDARDS CAN BE USED
2 IN THE TREATMENT OF PERSONS WHO ARE PLACED ON PROBATION,
3 INCARCERATED WITH THE DEPARTMENT OF CORRECTIONS, PLACED ON
4 PAROLE, OR PLACED IN COMMUNITY CORRECTIONS. PROGRAMS
5 IMPLEMENTED PURSUANT TO THE GUIDELINES AND STANDARDS ADOPTED
6 PURSUANT TO THIS SUBSECTION (3)(b) MUST BE AS FLEXIBLE AS POSSIBLE
7 SO THAT THE PROGRAMS MAY BE ACCESSED BY EACH ADULT WHO HAS
8 COMMITTED A SEXUAL OFFENSE TO PREVENT HARM TO VICTIMS AND
9 POTENTIAL VICTIMS. PROGRAMS MUST INCLUDE A CONTINUING
10 MONITORING PROCESS AND A CONTINUUM OF TREATMENT OPTIONS
11 AVAILABLE TO A ADULT WHO HAS COMMITTED A SEXUAL OFFENSE AS THE
12 ADULT PROCEEDS THROUGH THE CRIMINAL JUSTICE SYSTEM. TREATMENT
13 OPTIONS MUST BE DETERMINED BY A CURRENT RISK ASSESSMENT AND
14 EVALUATION AND MAY INCLUDE, BUT NEED NOT BE LIMITED TO, GROUP
15 COUNSELING, INDIVIDUAL COUNSELING, FAMILY COUNSELING, OUTPATIENT
16 TREATMENT, INPATIENT TREATMENT, SHARED LIVING ARRANGEMENTS, OR
17 TREATMENT IN A THERAPEUTIC COMMUNITY. PROGRAMS IMPLEMENTED
18 PURSUANT TO THE GUIDELINES AND STANDARDS ADOPTED PURSUANT TO
19 THIS SUBSECTION (3)(b) MUST, TO THE EXTENT POSSIBLE, BE ACCESSIBLE
20 TO EVERYONE IN THE CRIMINAL JUSTICE SYSTEM, INCLUDING ADULTS WITH
21 BEHAVIORAL, MENTAL HEALTH, AND CO-OCCURRING DISORDERS AND, TO
22 THE EXTENT POSSIBLE, ENSURE TREATMENT THAT IS RESPONSIVE TO THE
23 LINGUISTIC, CULTURAL, RELIGIOUS, RACIAL, AND SEXUAL AND GENDER
24 IDENTITY CHARACTERISTICS OF THE ADULT OR JUVENILE WHO HAS
25 COMMITTED A SEXUAL OFFENSE SERVED.

26 (II) THE GUIDELINES AND STANDARDS MUST NOT REQUIRE THE
27 TREATMENT PROVIDER OR SUPERVISING OFFICER TO USE POLYGRAPH
28 TESTING, BUT ITS USE MAY BE PERMITTED IN CASES IN WHICH THERE IS A
29 SPECIFIC DOCUMENTED RATIONALE BASED ON INDIVIDUAL RISK AND NEED
30 AFTER CONSIDERATION OF HOW THE INFORMATION SOUGHT WILL INFORM
31 TREATMENT OR SUPERVISION, THE ALTERNATE METHODS AVAILABLE TO
32 OBTAIN THE INFORMATION, AND WHETHER CURRENT BEHAVIORS, RISK
33 FACTORS, AND NEEDS WOULD BE ADDRESSED BY POLYGRAPH TESTING.

34 (c) **Allocation of money in sex offender surcharge fund.** THE
35 BOARD SHALL ADOPT AN ANNUAL PLAN FOR THE ALLOCATION OF MONEY
36 DEPOSITED IN THE SEX OFFENDER SURCHARGE FUND, REFERRED TO IN THIS
37 SUBSECTION (4)(c) AS THE "FUND", CREATED PURSUANT TO SECTION
38 18-21-103 (3) AMONG THE JUDICIAL DEPARTMENT, THE DEPARTMENT OF
39 CORRECTIONS, THE DIVISION OF CRIMINAL JUSTICE IN THE DEPARTMENT OF
40 PUBLIC SAFETY, AND THE DEPARTMENT OF HUMAN SERVICES. THE BOARD
41 SHALL COORDINATE THE EXPENDITURE OF MONEY FROM THE FUND WITH
42 ANY MONEY EXPENDED BY ANY OF THE DEPARTMENTS DESCRIBED IN THIS
43 SUBSECTION (3)(c) TO EVALUATE AND TREAT ADULTS AND JUVENILES WHO
44 HAVE COMMITTED A SEXUAL OFFENSE. IN ADDITION, IN RECOGNITION OF
45 THE OVERREPRESENTATION OF SOME RACIAL, ETHNIC, GENDER, AND
46 SEXUAL IDENTITY GROUPS WITHIN THE POPULATION OF INDIVIDUALS
47 SENTENCED FOR SEXUAL OFFENSES, AND THE SIMULTANEOUS
48 UNDERREPRESENTATION OF TREATMENT PROVIDERS FROM THE SAME
49 GROUPS, THE BOARD SHALL ADOPT A PROCESS BY WHICH A POTENTIAL
50 TREATMENT PROVIDER MAY APPLY TO THE FUND FOR GRANTS OR
51 SCHOLARSHIPS IF THE APPLICANT'S ENTRY INTO THE TREATMENT PROVIDER
52 COMMUNITY WOULD DIVERSIFY THE FIELD OR ENHANCE RESOURCES TO
53 UNDERSERVED AREAS OF COLORADO. THE BOARD SHALL APPLY FOR
54 GRANTS OR SEEK GIFTS OR DONATIONS FROM PRIVATE OR PUBLIC SOURCES
55 FOR THE PURPOSE OF PROVIDING THE GRANTS OR SCHOLARSHIPS. THE
56 MONEY USED FOR THE GRANTS OR SCHOLARSHIPS SHALL NOT COME FROM

1 SEX OFFENDER SURCHARGE FEES. THE GRANTS OR SCHOLARSHIPS MAY
2 INCLUDE, BUT ARE NOT LIMITED TO, AWARDS TO ASSIST CANDIDATES IN
3 MEETING THE EDUCATIONAL, LICENSURE, OR CLINICAL TRAINING
4 REQUIREMENTS DESCRIBED IN SECTION 16-11.7-106 AND MUST SEEK TO
5 INCREASE THE LIKELIHOOD THAT ADULTS OR JUVENILES WHO HAVE
6 COMMITTED A SEXUAL OFFENSE WILL HAVE ACCESS TO TREATMENT
7 PROVIDERS WHO CAN MEET THEIR LINGUISTIC, CULTURAL, RELIGIOUS,
8 RACIALLY, AND SEXUAL AND GENDER IDENTITY DIVERSE NEEDS. THE
9 GENERAL ASSEMBLY MAY APPROPRIATE MONEY FROM THE FUND IN
10 ACCORDANCE WITH THE PLAN.

11 **(d) Evaluation of policies and procedures - report.** (I) THE
12 BOARD SHALL RESEARCH, EITHER THROUGH DIRECT EVALUATION OR
13 THROUGH A REVIEW OF RELEVANT RESEARCH ARTICLES AND SEXUAL
14 OFFENSE TREATMENT EMPIRICAL DATA, AND ANALYZE, THROUGH A
15 COMPREHENSIVE REVIEW OF EVIDENCE-BASED PRACTICES, THE
16 EFFECTIVENESS OF THE EVALUATION AND TREATMENT POLICIES AND
17 PROCEDURES FOR PERSONS WHO HAVE COMMITTED A SEXUAL OFFENSE
18 ADOPTED PURSUANT TO THIS ARTICLE 11.7. THIS RESEARCH MUST
19 SPECIFICALLY INCLUDE, BUT NEED NOT BE LIMITED TO, REVIEWING AND
20 RESEARCHING REOFFENSE AND FACTORS THAT CONTRIBUTE TO REOFFENSE,
21 THE EFFECTIVE USE OF COGNITIVE BEHAVIORAL THERAPY TO PREVENT
22 REOFFENSE, THE USE OF POLYGRAPHS IN TREATMENT, AND THE
23 CONTAINMENT MODEL FOR THE MANAGEMENT AND TREATMENT OF
24 PERSONS WHO HAVE COMMITTED A SEXUAL OFFENSE AND ITS EFFECTIVE
25 APPLICATION. THE BOARD SHALL REVISE THE GUIDELINES AND STANDARDS
26 FOR EVALUATION AND TREATMENT, AS APPROPRIATE, BASED UPON THE
27 RESULTS OF THE BOARD'S RESEARCH AND ANALYSIS. THE BOARD SHALL
28 ALSO ADOPT AND PRESCRIBE A SYSTEM TO IMPLEMENT THE GUIDELINES
29 AND STANDARDS ADOPTED PURSUANT TO SUBSECTION (3)(b) OF THIS
30 SECTION.

31 **(e) Criteria for measuring progress in treatment.**
32 (I) PURSUANT TO SECTION 18-1.3-1009, CONCERNING THE CRITERIA FOR
33 RELEASE FROM INCARCERATION, REDUCTION IN SUPERVISION, AND
34 DISCHARGE FOR CERTAIN ADULTS WHO HAVE COMMITTED A SEXUAL

51 THE COMMUNITY IF HE OR SHE WERE RELEASED FROM INCARCERATION,
52 RELEASED TO A REDUCED LEVEL OF SUPERVISION, OR DISCHARGED FROM

56

1 (II) THE BOARD, IN COLLABORATION WITH THE DEPARTMENT OF
2 CORRECTIONS, THE JUDICIAL DEPARTMENT, AND THE STATE BOARD OF

16 INCLUDING BUT NOT LIMITED TO SHARED LIVING ARRANGEMENTS. AT A
17 MINIMUM, THE BOARD SHALL CONSIDER THE SAFETY ISSUES RAISED BY THE

Amend reengrossed bill, page 3, line 15, after the period add "It IS FURTHER THE INTENT OF THE GENERAL ASSEMBLY THAT A SCHOOL DISTRICT OR CHARTER SCHOOL THAT RECEIVES MONEY FROM THE FUND MUST USE THE MONEY RECEIVED TO SUPPLEMENT, NOT SUPPLANT, THE AMOUNT THAT THE SCHOOL DISTRICT OR CHARTER SCHOOL WOULD OTHERWISE BUDGET FOR EDUCATOR SALARIES AND WAGES.".

Page 5, after line 4 insert:

13 DISTRIBUTIONS, SUCH THAT THE DISTRIBUTIONS SUPPLEMENT AND DO NOT

45 ONE OF WHOM IS A TEACHER AND ONE OF WHOM IS AN ADMINISTRATOR,
46 BOTH OF WHOM ARE APPOINTED WITH THE ADVICE OF A STATEWIDE

48 (b) BY AUGUST 1, 2021, THE PRESIDENT OF THE SENATE AND THE

32 (II) Aid to impacted industries to respond to the negative
33 economic impacts of the COVID-19 public health emergency; and

34 (III) Programs, services, or other assistance for populations
35 disproportionately impacted by the COVID-19 public health emergency,
36 such as programs or services that address or mitigate the impacts of the
37 public health emergency on education;

38 (b) In 2020, the Colorado opportunity scholarship initiative
39 responded to needs caused by the COVID-19 pandemic by creating the
40 displaced workers grant. The displaced workers grant supports
41 Coloradans displaced by the COVID-19 pandemic, including those who
42 were laid off or furloughed, experienced decreased earnings, had job
43 offers rescinded, or were unable to enter the workforce because of
44 negative economic conditions. These workers have an incentive to reskill,
45 upskill, or complete industry-recognized credentials in order to improve
46 economic prospects for themselves and their communities.

47 (c) Appropriating a portion of the money received pursuant to the
48 federal "American Rescue Plan Act of 2021", Pub.L. 117-2, as the act
49 may be subsequently amended, to the Colorado opportunity scholarship
50 initiative is estimated to serve at least three thousand displaced Colorado
51 workers and will provide these workers with the skills, supports, and
52 credentials necessary to secure good jobs, sustain a resilient state
53 economy, and help institutions of higher education scale high-demand
54 and highly impacted programs; and
55

(d) These funds will be distributed to public institutions of higher education, community partners, and workforce centers across the state to provide scholarships, wraparound supports, and recruitment and retention efforts for Coloradans with some college education but no degree who have the need to reskill, upskill, or complete industry-recognized credentials due to lost or reduced employment.

(2) The general assembly declares that appropriating a portion of the money received pursuant to the federal "American Rescue Plan Act of 2021", Pub.L. 117-2, as the act may be subsequently amended, to the Colorado opportunity scholarship initiative for such purposes described in this section are appropriate and lawful."

14

15 Dear Honorable Members of the Colorado General Assembly:
16

17 Today I signed into law Senate Bill 21-256, "Concerning
18 permitting regulation of firearms by local governing bodies."
19

20 Senate Bill 21-256 (SB 21-256) permits a local government to
21 enact an ordinance, regulation, or other law governing or prohibiting the
22 sale, purchase, transfer, or possession of a firearm, ammunition, or
23 firearm component or accessory. In addition, SB 21-256 allows local
24 governments to prohibit the carrying of concealed handguns in a building
25 or specific area within their jurisdiction.
26

27 We thank the sponsors and proponents for passing this and other
28 measures to build on Colorado's continued response to gun violence.
29 Recent tragedies around Colorado and the country demand quick and
30 decisive action. Together, these measures will make our communities
31 safer, keep firearms out of the hands of those who would do harm to
32 themselves or others, and get those in crisis help as soon as possible.
33

34 While SB 21-256 will make our communities safer, it also
35 recognizes Colorado's vibrant gun culture. Many Coloradans enjoy the
36 safe and lawful use of firearms, and Coloradans depend on firearms for
37 food and sport, and to keep their families and livestock safe. Cherished
38 family experiences include a parent teaching a child gun safety, going on
39 a first hunting experience, or passing down a beloved family heirloom.
40 Lawful uses of firearms are protected under our state and federal
41 Constitutions and should be embraced and not infringed. In addition, state
42 statute protects Coloradans' ability to enjoy our great wilderness and
43 shooting ranges, and lawfully transport firearms across in-state
44 jurisdictions (C.R.S. § 18-12-105.6). As local governments consider
45 additional firearm laws, they must focus on prospective applications that
46 protect existing rights, serve the community, and keep Coloradans safe.
47

48 Again, we thank the sponsors and proponents for helping to pass
49 SB 21-256 and other legislation like it to keep our communities safe,
50 while recognizing a Coloradan's constitutional right to lawfully possess
51 a firearm. Colorado has been and will continue to be a national leader in
52 firearm regulation. With appropriate measures in place that address
53 safety, behavioral health needs, and education and training, we can reduce
54 the likelihood of injury or death from firearms.
55
56

1 Sincerely,
2 /signed/

25

26 Dear Senators Jaquez Lewis and Winter and Representatives Esgar and
27 Gonzales-Gutierrez:
28

29 Today I signed into law Senate Bill 21-199 (SB 21-199) "Remove
30 Barriers To Certain Public Opportunities, concerning measures to remove
31 barriers to certain public opportunities, and, in connection therewith,
32 making an appropriation."
33

34 SB 21-199 repeals C.R.S. §24-103-76.5. This section of Colorado
35 statute mirrors 8 U.S.C. §1611 regarding requirements and exceptions for
36 lawful presence for public benefits. SB 21-199 also opts Colorado into
37 the flexibility that the federal government granted to states under
38 8 USC § 1621(d) by affirmatively stating that lawful presence is not
39 required for any state or local public benefit if resources are made
40 available and it is allowed under state and federal law.
41

42 As many of us know and remember, in 2006, the legislature
43 unfortunately passed House Bill 06-1034 during a special session of the
44 General Assembly and it was signed into law by Governor Owens. The
45 environment in which it was signed propelled a number of exclusionary
46 practices and processes. Immigrants without lawful presence were left
47 out of many programs, even when they could have been eligible per
48 federal and state exceptions. The legacy of the 2006 special session is
49 one I am fully in favor of leaving behind, and this bill makes Colorado
50 more inclusive of all people, which is important in creating a Colorado
51 for all.
52

53 In addition, this bill makes no changes to federal program
54 requirements. Most of Colorado's public benefits, such as food assistance
55 funded by the federal government, remain unavailable to Coloradans
56 without lawful presence.

1 We consulted with proponents, opponents, and the Attorney
2 General to discuss their views on this bill's legal and policy implications.
3 As a result, I am satisfied that this bill will likely withstand judicial
4 review. However, we do anticipate the need for future legislative changes
5 to account for unintended impacts or any potential confusion about this
6 bill and we anticipate the need for robust messaging and education to
7 ensure communities and stakeholders understand the limited applicability
8 of this bill on public assistance programs. As an outreach and education
9 campaign was not considered by this legislation, we ask for your
10 leadership and partnership in such efforts.

11
12 Most of all, I call upon Congress to fix our broken immigration
13 system with comprehensive immigration reform including a pathway to
14 earn citizenship for hard working men and women who have lived here
15 for many years and are making our country stronger and more prosperous.

16
17 We thank the sponsors and stakeholders for their hard work on this
18 topic and appreciate their consideration for the safety of Coloradans and
19 the economic viability of Colorado.

7

8 Dear Honorable Members of the Colorado General Assembly:
9

10 While I am signing HB21-1276 today, I want to reinforce my
11 strong commitment to creating a uniform, evidence based process for
12 adding any new health insurance mandates to Colorado law. I was
13 disappointed when two attempts to establish such a process, through
14 SB20-127 and SB21-085, failed. Consumers deserve our informed
15 consideration of the costs as well as the benefits of adding new coverage
16 mandates, and it is my strong hope that the legislature takes up legislation
17 next session that will ensure that this analysis occurs.
18

19 This session made historic progress on saving people money on
20 healthcare, including HB21-1232 and SB21-175 to save money on health
21 insurance and prescription drug costs. Therefore, I am open to
22 considering several additional expansions of required coverages.
23

24 Health insurance is a significant monthly expense for most
25 Coloradans. Nearly 9 in 10 uninsured Coloradans cite cost as their reason
26 for not having insurance¹. This is a serious matter and we must be
27 deliberate when we take actions that may increase the cost of insurance
28 premiums. The best way to do that is by understanding what the impact
29 of any new mandate is on cost as well as the health benefit, and
30 evaluating whether adding one or more mandates is worth the benefit to
31 consumers. While each mandate by itself may have a minimal impact on
32 premiums we must understand the impact on consumers, not only of each
33 new mandate, but of new mandates in the aggregate.
34

35 As you know, one of my priorities is to save people money on
36 healthcare. Working together, the General Assembly and I have done that
37 by:

- 38 • Creating a reinsurance program that has saved people an
39 average of 18% on individual premiums;
- 40 • Passing SB20-215 which, among other things, dedicated
41 monies collected through a Health Insurance Fee that will
42 reduce out of pocket costs for consumers;
- 43 • Passing HB21-1232, which will address the underlying cost of
44 care by requiring carriers to lower premium costs by 15
45 percent over three years; and,
- 46 • Establishing a Prescription Drug Affordability Board with the
47 authority to lower prescription drugs costs for consumers.
48
49

¹ 2019 Colorado Health Access Survey:

<https://www.coloradohealthinstitute.org/research/2019-colorado-health-access-survey-health-insurance-coverage>

1 I am proud of what we have done together and also mindful that
2 we cannot give with one hand and take away with the other. Mandates
3 have the potential to add extraordinary value to the consumer. They also
4 have the potential to put insurance and its benefits out of reach for the
5 very people who need that coverage.

6
7 Once again, I am directing the Commissioner of Insurance to work
8 with the General Assembly to design a process that will enable us to
9 evaluate the impact of new mandates on the health insurance market. I
10 hope you will work with me to get that done in 2022.

11
12 As it relates specifically to HB21-1276, as you'll recall, last year
13 I vetoed a similar bill - House Bill 20-1085, "Concerning the prevention
14 of substance use disorders," [found here](#).

15
16 I [vetoed](#) that bill for two reasons. First, no formal analysis had
17 been done regarding the costs of adding the benefits proposed and second,
18 the bill did not include federal defrayal language despite my request that
19 any mandate bill include such language in order to protect Colorado's
20 general fund from increased cost of premiums in the individual and small
21 group markets if a bill were deemed to be a new mandate under the ACA.
22 This version of the bill thankfully includes the federal defrayal language

23
24 However, given the importance of the effort to prevent substance
25 abuse disorder, and my commitment to work with the bill's sponsors, I
26 asked the Division of Insurance to analyze the potential impacts of
27 adopting the benefits mandates in HB20-1276. Last fall, DOI issued a
28 Request for Information (RFI) asking for information and comments on
29 the impacts of the proposed mandates on Colorado's insurance
30 marketplace.

31
32 DOI concluded, based on the data provided, that coverage of
33 alternative therapies could have a premium impact, although the extent
34 of the impact was unknown. Significant data was provided through the
35 RFI process concerning the health benefits of alternative therapies and the
36 associated long-term health care cost savings which are not included in
37 annual premium calculations. Some studies also suggest the use of
38 alternative therapy has been associated with reductions in opioid
39 prescriptions.

40
41 Based on the totality of information provided, DOI included
42 acupuncture in the proposed EHB benchmark plan submitted by DOI to
43 CCIIO for 2023. Based on a separate actuarial analysis conducted by a
44 third party actuarial firm, DOI estimated the new benefit would increase
45 premiums by 0.1% which equates to \$0.45 per person per month. OT, PT
46 and Chiropractic care are already in the benchmark plan.

47
48 Given this analysis and the inclusion of the proposed new mandate
49 in Colorado's benchmark proposal for plans beginning in 2023, I agree
50 it will be helpful to Coloradans to include that requirements in the
51 benchmark plan. I note that the defrayal language that was absent last
52 year was also included in HB21-1276. I note also that the bill includes
53 a number of other important provisions, including a requirement that
54 prescribers check the Prescription Drug Monitoring Program (PDMP)
55 before they write an initial prescription for opioids which aligns with

1 recommendations of the State Auditor for the PDMP and a requirement
2 that Colorado enable access to RxCheck.

18

19 Dear Honorable Members of the Colorado General Assembly:
20

21 Today, I signed into law Senate Bill 21-116 ("SB 21-116"),
22 "Concerning the prohibition of American Indian mascots in Colorado."
23

24 Under SB 21-116, public elementary, middle, and high schools
25 may no longer use an American Indian mascot in name, symbol or image
26 after June 1, 2022 unless a school has an agreement with a Federally
27 Recognized Tribe. Any such agreement is intended to foster goodwill,
28 emphasize education, support a curriculum that teaches American Indian
29 history, and encourage positive cultural exchange. Schools who use an
30 American Indian mascot in violation of SB 21-116 are eligible to apply
31 for a grant through the "Building Excellent Schools Today" (BEST)
32 program operated by the Colorado Department of Education for funds to
33 make any structural renovations necessary to help with the transition.
34

35 I appreciate the sponsors' and stakeholders' efforts to pass
36 SB 21-116, and I share their utmost respect and appreciation for Tribal
37 Nations and the American Indian community, who are foundational to all
38 aspects of Colorado's history, cultures, economy, landscape, art, and
39 everyday life. For too long, the presence of derogatory mascots has
40 promoted inaccurate and offensive portrayals of American Indian
41 individuals and communities. Native American heritage is an important
42 part of Colorado's past, present, and future, and I look forward to the
43 collaboration between Tribes and schools to present non-offensive
44 representations. I am proud of Colorado for this landmark legislation,
45 and am grateful for the individuals who traveled from all across the
46 country to testify in support of SB 21-116.
47

48 I am, however, concerned about the timing and financial burden
49 this bill places on Colorado schools without adequate time or resources
50 to make changes to their mascots and their buildings. I am confident that
51 school districts and schools will recognize the critical need to change any
52 mascot, logo, image, or symbol as soon as possible. However, while
53 SB 21-116 does allow schools to apply for funds through the State's
54 BEST program, the prioritization of projects for funding required in
55 statute would make it difficult for schools to receive the funds necessary

1 for structural changes and we look forward to working to remedy this to
2 make more funds available.

3
4 I am committed to working with school districts, schools, and
5 legislators to explore alternatives to ensure that schools and school
6 districts have quicker access to the resources they need to implement
7 SB 21-116 effectively, and I would encourage the General Assembly to
8 also consider the financial implications of this bill and short timeline for
9 remedial actions on districts. I am committed to ensuring that Colorado
10 is a national leader in deeply valuing and respecting the American Indian
11 communities in all manners, and continuing to support the needs of our
12 schools.

13
14 We thank the sponsors and stakeholders for their hard work on this
15 topic and appreciate their consideration.

21 Dear Honorable Members of the Colorado General Assembly:
22

23 Today, I signed into law Senate Bill 21-039, "Concerning the
24 elimination of subminimum wage employment by providing supports to
25 ensure successful transitions for individuals currently working in
26 subminimum wage jobs, and, in connection therewith, making an
27 appropriation."
28

29 Senate Bill 21-039 ("SB 21-039") prohibits employers from
30 paying employees who are impaired by age, physical or mental disability,
31 or injury below the constitutionally required Colorado minimum wage.
32 Employers that currently rely on a federal certificate from the Department
33 of Labor to pay employees with disabilities subminimum wage are
34 required to submit a transition plan detailing their actions to fully
35 eradicate subminimum wage employment practices by July 1, 2025. On
36 July 1, 2025 and thereafter, an employer is strictly prohibited from paying
37 subminimum wages, regardless if the employer was previously issued a
38 special certificate allowing them to do so. My administration is hopeful
39 most people with disabilities being paid sub-minimum wage are
40 transitioned to minimum wage or higher jobs much sooner.
41

42 Additionally, this bill requires the employment first advisory
43 partnership in the Colorado Department of Labor and Employment to:
44 (1) Develop recommendations to address structural and fiscal barriers that
45 can be enacted to successfully implement integrated employment; and
46 (2) Report these recommendations to the general assembly. While
47 SB 21-039 ensures that employees with disabilities are protected from
48 receiving a reduced compensation, it also recognizes the urgent need for
49 structural change within companies that compensate employees with
50 disabilities with wages which are below the constitutionally required
51 Colorado minimum wage. This effort guarantees those with disabilities
52 do not have their benefits and rights infringed upon by the state or the
53 federal government, and confirms a concrete end to the practice of
54 subminimum wages for the disabled workforce in Colorado.
55

1 Finally, this bill requires the Department of Health Care Policy and
2 Financing to submit amendments to the Centers for Medicare and
3 Medicaid to establish new Medicaid employment services for clients with
4 intellectual and developmental disabilities, move employment services
5 outside the Service Plan Authorization Limits, and expand eligibility for
6 the Medicaid Buy-in for Working Adults with Disabilities to individuals
7 with intellectual and developmental disabilities on the Comprehensive
8 Medicaid waiver by July 1, 2023. These services, combined with the
9 other robust Home and Community Based Services and Supports, will
10 enable these individuals to work and prosper.

11
12 We thank the sponsors and proponents for their work on
13 SB 21-039 to ensure all Coloradans earn the constitutionally required
14 Colorado minimum wage. Recent light has been shed on the
15 discriminatory issue of subminimum wages both in Colorado, and the
16 nation as a whole, as President Biden has prioritized the elimination of
17 decreased wages for those with disabilities in his presidential campaign.
18 This bill builds upon the strong foundation of Colorado's steadfast
19 prioritization of Coloradans and their quality of life for which our state is
20 proud.

21
22 Colorado has for many years limited the ability for employers to
23 enact subminimum wages. This bill eliminates the federal loophole that
24 allowed some employers to pay subminimum wages. Colorado has been
25 and will continue to be a leader in prioritizing the equality and equity of
26 those that contribute to the state's workforce. Colorado requires a
27 minimum wage constitutionally that is higher than the federal
28 requirement. Colo. Const. art. XVIII, § 15. This exemplifies Colorado's
29 dedication to liveable wages and equity, and this bill furthers these efforts
30 by ensuring this quality of life applies to all Coloradans. These measures
31 will address the importance of these benefits and reduce compensation
32 discrimination in the workforce.

48 Dear Honorable Members of the Colorado House of Representatives:
49

50 Today I signed into law House Bill 21-1251, "Concerning the
51 appropriate use of ketamine upon a person in a prehospital setting, and,
52 in connection therewith, making an appropriation."
53
54

1 House Bill 21-1251 (HB 21-1251) limits the use of ketamine,
2 absent a justifiable medical emergency. In addition, the bill prohibits
3 peace officers—unless the officer is also certified as an Emergency
4 Medical Services (EMS) provider—from using, directing, or unduly
5 influencing the use of chemical restraints upon another person.
6

7 I thank the sponsors and proponents for passing this and other
8 measures to protect our communities and restore trust in law enforcement.
9 Furthermore, I agree that chemical restraints, like ketamine, should only
10 be used in true medical emergencies, and done so under the supervision
11 of a trained medical professional. The Colorado Department of Public
12 Health and Environment (CDPHE) has been working for the past year on
13 appropriate strategies to govern the administration of chemical restraints.
14 HB 21-1251 and CDPHE are both clear and in agreement: EMS is
15 responsible for patient care, not law enforcement. Furthermore, ketamine
16 should not be used for law enforcement purposes. When on-scene, there
17 should be a formal hand-off from the responding officer to an EMS
18 provider. Finally, EMS should make medical care decisions, and law
19 enforcement police should not try to influence an EMS's medical
20 decision-making.
21

22 A recent American Medical Association policy statement indicated
23 that “excited delirium” is a subjective diagnosis that should not be used
24 until better diagnostic criteria exist. That is why CDPHE will place a
25 hold on all ketamine waivers at this time in the setting of excited
26 delirium, working to incorporate the law's requirements, along with the
27 findings to be released in July, to assure the best care for all Coloradans.
28 There will still be times when chemical restraint is still needed to assess,
29 treat, and transport patients. But, that should only occur when patients,
30 whose serious, probable, and imminent threat of harm to self or others,
31 prevent EMS providers from safely assessing, treating, and transporting
32 the patient to a hospital, and not for matters relating to any criminal
33 behavior or other circumstances not pertaining to the medical emergency.
34

35 HB 21-1251 is a good start as a review of the ambulance care
36 system, and the relationship that law enforcement plays in these
37 situations. Following the release of CDPHE's findings later this summer,
38 the agency will conduct a robust stakeholder engagement process to
39 improve consumer protections in the EMS system and develop other
40 recommendations for consideration.
41

42 Again, we thank the sponsors and proponents for helping to pass
43 HB 21-1251. Colorado has been and will continue to be a national leader
44 in criminal justice and policing reforms. With appropriate measures in
45 place that address safety, behavioral health needs, and education and
46 training, we can reduce the likelihood of injury or death from the use of
47 chemical restraints.
48

9 Members of the Colorado General Assembly,

10

11 Today I signed,” SB21-016 “Protecting Preventative Health Care
12 Coverage,” and HB21-1068 “Insurance Coverage Mental Health
13 Wellness Exams.” While I am signing a limited number of bills that
14 establish new insurance mandates this year, I want to reinforce my strong
15 commitment to creating a uniform, evidence-based process for adding any
16 new health insurance mandates to Colorado law. I was disappointed
17 when two recent attempts to establish such a process, SB20-127 and
18 SB21-085, failed. Consumers deserve our informed consideration of the
19 costs, as well as the benefits of adding new coverage mandates.

20

21 Health insurance is a significant monthly expense for most
22 Coloradans. Nearly nine in 10 uninsured Coloradans cite cost as their
23 reason for not having insurance.² This is a serious matter and we must be
24 deliberate when we take actions that increase the cost of insurance
25 premiums. The best way to do that is to evaluate the cost and whether the
26 mandate is worth the impact on consumers. While each mandate by itself
27 may have a minimal impact on premiums, it is critical that we understand
28 the aggregate impact of these mandates on consumers.

29

30 As you know, one of my priorities is to save people money on
31 health care. Working together, the General Assembly and I have done so
32 by:

33

- 34 • Creating a reinsurance program that has saved people an
35 average of 18% on individual premiums;
- 36 • Passing SB20-215 “Health Insurance Affordability
37 Enterprise”, which dedicates monies collected through a
38 Health Insurance Fee to reduce out of pocket costs for
39 consumers;
- 40 • Passing HB21-1232 “Standardized Health Benefit Colorado
41 Option”, which addresses the underlying cost of health care by
42 requiring carriers to offer a product that lowers premium costs
43 by 15 percent over three years; and,
- 44 • Lowering prescription drug costs by establishing a Prescription
45 Drug Affordability Board through SB21-175.

46

47 I am proud of what we have done together and also mindful that
48 we cannot give with one hand and take away with the other. Mandates
49 have the potential to add extraordinary value for consumers, but also to
50 put insurance benefits out of reach for the very people who need
51 coverage.

51

² 2019 Colorado Health Access Survey:

<https://www.coloradohealthinstitute.org/research/2019-colorado-health-access-survey-health-insurance-coverage>

1 Once again, I am directing the Commissioner of Insurance to work
2 with the General Assembly to design a process that will enable us to
3 evaluate the impact of new mandates on the health insurance market and
4 consumers. I hope you will work with me to get that done in 2022.

5
6 With respect to the bills I am signing this year, while each
7 addresses a different consumer need, what they have in common is the
8 inclusion of defrayal language important to protecting the General Fund
9 (HB21-1068, HB21-1276), strong evidence that they will save health care
10 dollars (SB21-016, HB21-1276) and/or a recommendation by DOI that
11 the new mandate be included in the 2023 plan year EHB benchmark plan
12 (HB21-1276, HB21-1068).

28
29 Dear Honorable Members of the Colorado House of Representatives:

30
31 Today I signed House Bill 21-1209, "Concerning offenders who
32 committed an offense when under twenty-one years of age, and, in
33 connection therewith, making an appropriation" into law."

34
35 HB 21-1209 makes certain changes to the Colorado Department
36 of Corrections (DOC) Juveniles Convicted as Adults Program (JCAP).
37 Most significantly, it expands eligibility in JCAP from just offenders who
38 are under age 18, to those offenders who were 18 to 20 years of age
39 during the commission of the crime.

40
41 To build a better Colorado for all, our criminal justice system
42 should promote public safety, reduce crime, and treat every individual
43 with fairness, equity, and dignity in every interaction and at all stages.
44 Together, we have made historic progress in addressing inequities that
45 exist in our criminal and juvenile justice system and ensuring trust and
46 accountability in policing. During my time as governor, we have signed
47 legislation into law that, among other things, recalibrates our entire
48 misdemeanor criminal code, allows for more compassionate releases from
49 DOC, provides new accountability in policing, and permits pardons for
50 previous marijuana-related convictions.

51
52 We must implement these policies with care and take time to allow
53 system experts to measure their effectiveness at reducing crime and
54 recidivism and, ultimately, protecting public safety. This is the purpose
55 of the Colorado Commission on Criminal and Juvenile Justice (CCJJ),
56 which the General Assembly created in 2007 to "engage in a

1 comprehensive evidence-based analysis of the offenders being sentenced
2 to the Department of Corrections, the alternatives to incarceration, the
3 effectiveness of prevention programs, and the effectiveness of the
4 criminal code and sentencing laws in securing public safety.”³

5
6 These holistic approaches recognize the greater impacts on public
7 safety and social justice and should be encouraged. While there is a
8 developing body of research and evidence about the development of
9 juvenile or young adult brains and criminology, the CCJJ is a more
10 appropriate body to examine that research and suggest any appropriate
11 changes to DOC programming, such as JCAP. Next session, policies like
12 those contemplated in HB 21-1209, should be referred and thoroughly
13 vetted by CCJJ for consideration, acknowledging CCJJ’s mission as
14 outlined by the General Assembly. After conducting their thorough,
15 evidence-informed process, the General Assembly and I can then review
16 their recommendations, and decide together on legislation to proceed
17 with.

18
19 I remain committed to criminal and juvenile justice reform, and
20 addressing the systemic issues that disproportionately impact
21 communities of color. These efforts can be done at the same time that we
22 increase public safety, lower recidivism, and reduce harm to victims. I
23 look forward to working with the General Assembly next session on fully
24 vetted, bipartisan legislation that will make our communities safer and
25 treat individuals with fairness, equity, and dignity.

10 Dear Honorable Members of the Colorado General Assembly:

11
12 Today I signed into law Senate Bill 21-190, "Concerning
13 additional protection of data relating to personal privacy." Senate Bill
14 21-190 (SB 21-190) creates new consumer data privacy rights and
15 protections, requiring businesses that process personal data or information
16 to perform certain duties, such as providing transparency, purpose
17 specification, and data minimization.
18

19 We thank the sponsors and proponents of SB 21-190 and their
20 efforts to protect consumers and their personal information. As our
21 economy continues to evolve and innovate in response to the demands of
22 technology and the internet, new protections are needed to prevent fraud,
23 abuse, and misuse. Colorado joins a handful of states that have now
24 passed their own version of the Colorado Privacy Act to protect
25 consumers.
26

27 However, in the haste to pass this bill, several issues remain
28 outstanding. My chief concern is ensuring Colorado's competitiveness
29 with other states as an incubator of new technologies and innovations.
30 SB 21-190 will require clean-up legislation next year, and in fact, the
31 sponsors, proponents, industry, and consumers are already engaged in
32 conversations to craft that bill. We encourage those to continue but urge
33 that they strike the appropriate balance between consumer protection
34 while not stifling innovation and Colorado's position as a top state to do
35 business.
36

37 Again, we thank the sponsors and proponents for passing
38 SB 21-190. The Colorado Privacy Act will keep consumers safe from
39 harmful practices and hopefully will become a template for a nationwide
40 standard passed by Congress in the future.

1 Dear Honorable Members of the Colorado General Assembly:

2
3 Today, I signed into law Senate Bill 21-172 ("SB 21-172"),
4 "Concerning creation of a fund to assist in increasing the amounts paid to
5 persons employed by local education providers."
6

7 SB 21-172 establishes a fund ("educator pay raise fund") within
8 the State Treasury that is intended to assist school districts and charter
9 schools in increasing the salary paid to teachers and non-licensed school
10 employees. The bill makes clear that any monies within the fund are
11 intended to supplement, and not supplant, local education providers'
12 budgets for educational salaries and wages. The creation of the fund is
13 subject to the passage of a statewide ballot measure no later than
14 November 2027 that increases state tax revenue to be deposited into the
15 educator pay raise fund. In addition to the creation of the educator pay
16 raise fund, the bill creates a task force to make recommendations for the
17 process by which the Colorado Department of Education will disburse
18 money to school districts and charter schools to increase educator salaries
19 and wages.
20

21 I appreciate the sponsors' and stakeholders' efforts to pass
22 SB 21-172, and share their utmost appreciation for our educators.
23 However, as it relates specifically to this bill, I am concerned about the
24 long-term implications of creating division between overall school
25 funding and educator pay. In so many ways, the two are interchangeable.
26 In fiscal year 2018-19, school districts statewide spent an average of 69%
27 of their expenditures on salaries and benefits, and when weighted for
28 budget and number of students, the average was 72%. Colorado is a local
29 control state, and school districts and schools need to balance educator
30 pay with other important needs. An interim committee will be convened
31 in the coming months to assess how school finance can be equitable
32 statewide through HB 21-1325, and separating the concept of educator
33 pay from that larger policy framework could result in unintended negative
34 consequences. These concerns do not rise to the level of a veto, because
35 there is no funding or money in this bill. Ultimately, I fully agree with
36 the message sent with this bill: that teachers should be paid better.
37

38 In addition, if this bill were to become funded, I would be
39 concerned about the lack of clarity around how dollars within the
40 educator pay raise fund would be distributed. By creating a task force to
41 make recommendations on this issue prior to knowing the quantity of
42 funds that may or may not be approved by voters, nor the timeframe for
43 which those funds would be available, it is unclear how this process will
44 be informed, equitable, and fair. I encourage the task force to examine
45 ways to incentivize higher educator pay, such as a smaller fund to match
46 local school district mill levy overrides in the short term, rather than
47 creating a separate fund that would compete with total program funding.
48

49 My office will continue its work with school districts and schools
50 to ensure that school funding is equitable, and that educators are
51 supported. The Colorado Department of Education will continue to be a
52 resource as the educator pay raise fund is established.
53

54 We thank the sponsors and stakeholders for their hard work on this
55 topic and appreciate their consideration.
56

1 Sincerely,

16

17 Dear Honorable Members of the Colorado General Assembly:
18

19 Today I signed HB21-1300, concerning Health Care Provider
20 Liens. I appreciate the effort that went into this bill and its focus on
21 consumer protection. I note, however, that it will be important to monitor
22 the effects of two provisions of the bill as we move forward.
23

24 The first issue is the bill's potential to affect the third party
25 recovery efforts of Health First Colorado, Colorado's Medicaid program.
26 While language in HB 21-1300 indicates that nothing in the bill changes
27 any obligation of the health care provider or its agents under the Colorado
28 Medical Assistance Act, my preference would have been for Medicaid to
29 have been explicitly excluded from the bill. Given that it was not, the
30 Department of Health Care Policy and Financing will be monitoring
31 whether there is any impact on third party recoveries, which are critical
32 for the fiscal integrity of the program. If so, I will ask the General
33 Assembly to run legislation next session to address these unintended
34 impacts.
35

36 Likewise, I am concerned about the potential impact on Medicaid
37 members with regard to C.R.S. 25.5-4-301(1)(a)(I), Colorado's
38 prohibition on providers billing and collecting money from members for
39 services rendered in the state of Colorado, regardless of whether
40 providers are enrolled in Colorado Medicaid. Therefore, the Department
41 of Health Care, Policy and Financing also will be monitoring the number
42 of complaints received from Health First Colorado members regarding
43 billing practices that may violate Section 301.
44

45 I also want to highlight the inclusion of a new definition in
46 HB21-1300, C.R.S. 38-27.2-102, as follows:
47

48 "USUAL AND CUSTOMARY BILLED CHARGE"
49 MEANS A HEALTH-CARE PROVIDER'S BILLED
50 CHARGE IN THE ABSENCE OF INSURANCE FOR A
51 SERVICE THAT IS SIMILAR TO THE BILLED
52 CHARGES FOR LIKE SERVICES PROVIDED BY
53 OTHER HEALTH-CARE PROVIDERS IN THE SAME
54 GEOGRAPHIC AREA.
55

1 The terms “usual and customary” and “billed charge” have
2 received a lot of attention over the years but the two phrases, to my
3 knowledge, are generally not used together. Billed charge is typically the
4 beginning point for negotiation between a provider and a health insurance
5 company and very few individuals, generally only the uninsured, are
6 asked to pay “billed charges.” Usual and customary is included in Title
7 10 of the Colorado Revised Statutes where “Usual, customary, and
8 reasonable rate” means a rate established pursuant to an appropriate
9 methodology that is based on generally accepted industry standards and
10 practices, (C.R.S. §10-16-704(2)(f)(III)). I am somewhat concerned that
11 the use of the term billed charges may leave patients open to being billed
12 higher rates than are typically paid by insurance companies. I will ask the
13 legislature to reexamine this provision if there are unintended
14 consequences as a result of this language.

15
16 Finally, I will note that I received requests to veto this bill on the
17 grounds that it obscures the true party in interest in a proceeding where
18 the common practice is for a third party to acquire medical liens and that
19 it has the potential to expose patients to unusually high charges because
20 of the “billed charges” language noted above.

21
22 I am not inclined to veto the bill, but do want to ensure there are
23 no unintended consequences.

24
25 Sincerely,
26 /signed/

40
41 Dear Honorable Members of the Colorado State House of
42 Representatives:

43
44 Today I signed House Bill 21-1012, “Concerning expansion of the
45 Prescription Drug Monitoring Program to track information regarding all
46 prescription drugs prescribed in Colorado.”

47
48 Sadly, this year the United States is on track to see the highest
49 number of drug abuse deaths since record keeping began. There are
50 many tools that the state utilizes to combat the prescription drug abuse
51 epidemic - one tool being the Prescription Drug Monitoring Program
52 (PDMP). The PDMP was created to provide an electronic monitoring
53 system that allows authorized practitioners to understand whether a
54 patient is seeking controlled substances at multiple locations and where
55 other providers have prescribed similar substances during a similar period
56 of time. In addition, the PDMP provides a mechanism for law

1 enforcement and regulatory boards to efficiently investigate practitioner
2 behavior that is potentially harmful to the public.

3
4 Earlier this month, I signed a bill that authorizes the Board of
5 Pharmacy (Board) to require the inclusion of additional addictive drugs
6 in the Prescription Drug Monitoring Program (PDMP) by using
7 evidence-based practices to identify drugs other than controlled
8 substances that have a “substantial potential for abuse.”

9
10 House Bill 21-1012 further requires the board to consider whether
11 to expand the PDMP to include **all** prescriptions in the State of Colorado
12 and, if they choose to do so, to promulgate rules by June 1, 2022.

13
14 On June 21, 2021, shortly following the adjournment of the first
15 regular session of the 73rd General Assembly, the Office of the State
16 Auditor (OSA) released an audit report of the PDMP. The report noted
17 several recommendations to improve the administration of the PDMP to
18 be an effective tool through improved registration, compliance with
19 opioid prescription requirements and increased pharmacy submission,
20 among other things. The implementation of recommendations made by
21 OSA will be a top priority of the Department of Regulatory Agencies
22 (DORA), more specifically the Division of Professions and Occupations,
23 which supports the Board of Pharmacy.

24
25 DORA has agreed to work with the General Assembly during the
26 2022 Legislative Session to propose statutory changes that will address
27 issues raised in the audit to improve the efficacy of the PDMP. The
28 Department will be working with the General Assembly on proposed
29 statutory changes in addition to developing new RFP requirements to
30 improve database functionality and vendor accountability as well as
31 engaging the Board of Pharmacy to identify and pursue administrative
32 regulatory solutions within existing authority; further DORA will also be
33 engaging all healthcare boards to identify strategies to improve
34 registration and utilization. These efforts are significant and time
35 consuming, yet necessary, undertakings. The full implementation date for
36 many of the audit recommendations will be in 2023.

37
38 Given the priority to fulfill the audit recommendations, I ask that
39 the Board of Pharmacy seriously consider the challenges of
40 operationalizing both the necessary audit recommendations and a
41 significant expansion of the PDMP during the same time period.

42
43 House Bill 21-1012 is a noble effort to expand the information
44 available to healthcare professionals when writing a prescription -
45 however, I am concerned that adding non-narcotic prescription drugs to
46 the PDMP will take our focus away from the work we need to do to
47 ensure we have a high quality, high-functioning PDMP. If we are going
48 to beat the opioid epidemic and save lives, our state’s focus must rest on
49 ensuring the efficacy of the PDMP to monitor the prescription and
50 dispensing of *controlled* substances first.

51
52 I am respectfully signing House Bill 21-1012 with reservations.
53 I direct DORA to prioritize implementing the recent audit
54 recommendations and the PDMP sunset. As the Department works to
55 implement these audit recommendations, I further direct the Executive
56 Director of DORA to request that the Colorado Consortium for

1 Prescription Drug Abuse Prevention (Consortium), pursuant to Section
2 12-280-409, CRS consult and advise as DORA and the Division of
3 Professions and Occupations implement the OSA audit recommendations.

4
5 The intention of House Bill 21-1012 is laudable; however we must
6 prioritize the implementation of these other pieces to ensure the
7 effectiveness of the PDMP, as intended as well.

23
24 Dear Honorable Members of the Colorado House of Representatives:

25
26 Today I signed House Bill 21-1321, "Concerning voter
27 transparency requirements to increase information about the fiscal impact
28 of statewide ballot measures that would result in a change in district
29 revenue."

30
31 A citizen's right to initiate a measure for the ballot is sacrosanct.
32 In Colorado, this exercise in direct democracy has a long history, dating
33 back to the early 20th Century. Since that time, Coloradans have
34 consistently made consequential policy at the ballot. It's not always a
35 comfortable process for Colorado's entrenched political hierarchies, and
36 indeed, partisans on both sides of the aisle have long lists of examples of
37 laws they don't like that passed at the ballot. But direct democracy is a
38 key feature of Colorado's political framework -- a framework that was in
39 large measure shaped at the ballot by the citizens of this state -- and one
40 that I will always champion and protect as Governor of Colorado.

41
42 Colorado has adopted modest common sense reforms to the
43 initiative process over the years. For example, in 2016, voters passed
44 Amendment 71, which established a higher threshold for passage of new
45 constitutional measures. Similarly HB21-1321 modifies the procedures
46 we use to place questions of law before the voters. My goal as governor
47 is to protect direct access to the ballot, which is the purest, most direct
48 expression of citizen democracy in Colorado. I also want to ensure that
49 voters know what they are voting on -- that the ballot language is a fair
50 and accurate description of any proposed ballot measure.

51
52 I was not comfortable with all of the changes originally included
53 in HB21-1321, and appreciate that the sponsors scaled the bill back from
54 its original form. I signed the measure for two reasons: 1) it protects
55 Coloradans' access to the ballot; and 2) it makes it simpler for Coloradans
56 to understand what they are voting on and what a proposed policy means

1 for them and their families. All tax policy changes have two impacts:
2 how much people pay and how much the government receives to pay for
3 services. This, at a minimum, should be included in the ballot title for
4 any tax policy proposal.

5
6 As this bill does not provide contrary guidance on applicability to
7 measures that have already come before the Title Board, I signed this bill
8 today with the understanding that it shall only apply prospectively
9 pursuant to Section 2-4-202, C.R.S. Therefore, this bill will apply only
10 to ballot measures that have *yet to have a title set* by the Title Board, not
11 those that already have a title set.

12
13 This bill applies only to measures that increase or reduce state or
14 local tax revenue by a determinable amount. Therefore, this legislation
15 does not apply to measures that seek to slow the rate of increase of
16 revenue because such measures do not necessarily result in a
17 determinable increase or decrease in state or local revenue or funding for
18 a particular program. *Cf., Bickel v. City of Boulder*, 885 P.2d 215, 236-37
19 (Colo. 1994) (where constitutional language requires a proposed tax
20 increase to include a dollar estimate of the increase, an indeterminate
21 description of the increase does not meet constitutional requirement).

22
23 While I am signing this bill today, I am wary of the legislature
24 encroaching too far into the initiative process, and would veto any
25 measure I see as intruding on citizens' right to initiate ballot measures.
26 Likewise, I will look skeptically at legislative reform I view as
27 undermining the express will of the voters.

28
29 I appreciate the work of the sponsors to make our ballot clearer
30 and more precise. And whether I agree with you on the substance or not,
31 I appreciate every citizen who undertakes the process of qualifying a
32 measure and advocating on its behalf at the ballot.

50 Dear Honorable Members of the Colorado State House of
51 Representatives:

52
53 Today I vetoed House Bill 21-1254, "Concerning regulation
54 related to the ownership of a vehicle, and, in connection therewith,
55 making appropriation" at 3:58 p.m.

56

1 House Bill 21-1254 (HB 21-1254) requires people who move to
2 Colorado to provide vehicle registration documentation from the prior
3 state and proof of the date that Colorado residency or employment was
4 established, and if failing to register their vehicle in 90 days, pay back
5 taxes and fees when they do register their vehicle. It also directs that the
6 agency should reduce vehicle and title fees to partially offset revenues
7 derived from this bill. I support the idea of using fees from out-of-state
8 overdue registrations to lower the cost of registration for Colorado
9 residents. However, after careful review, I have a few fatal underlying
10 concerns about this bill that have led me to veto it today.

11
12 After additional review of the bill in its final form, the Colorado
13 Department of Revenue (DOR) believes that following one full year of
14 implementation, the bill will generate revenue of roughly \$34 million.
15 According to the fiscal note, this revenue from back-due vehicle
16 registration fees and late fees will have a substantial impact under the
17 Taxpayers Bill of Rights (TABOR). The bill directs DOR to reduce the
18 revenue impact to the state by lowering vehicle title and registration fees.
19 Further, a portion of vehicle fees will be paid to the Statewide Bridge
20 Enterprise (estimated at \$7.5 million in the last fiscal note) which would
21 partially offset how the revenue is counted against TABOR.

22
23 While I support this goal, the agency has only identified roughly
24 \$8.5 million in fees they could adjust downward. Even with the
25 contribution to the Statewide Bridge Enterprise and the fee adjustments
26 directed by this legislation, this bill as currently written would subject
27 approximately \$16 million to the TABOR cap. As revenue projections
28 place Colorado above the TABOR limit in FY 2020-21 and beyond, this
29 new fee revenue would crowd out General Fund spending and slow our
30 progress to invest in education and other key priorities.

31
32 In addition to my concerns about this bill's fiscal impact, most of
33 the regulation and enforcement of this bill falls on local and county
34 governments. We are wary of placing an additional bureaucratic burden
35 on local governments at this moment in time.

36
37 While I laud many of the goals of the legislation, I think we can do
38 better and these concerns are addressable. So while I am vetoing
39 HB 21-1254 today, I am also directing the Department of Revenue to
40 work with the sponsors and stakeholders on legislation for next year that
41 helps to decrease vehicle title and registration costs while addressing the
42 concerns articulated above. In the meantime, I want to welcome and
43 remind those who are choosing Colorado as their new home that they
44 have 90 days upon establishing residency or employment to register their
45 motor vehicle. They can find their local DMV at dmv.colorado.gov.

46
47 Therefore, HB 21-1254 is disapproved and vetoed.

23 Today I vetoed House Bill 21-1196, "Update Senate Bill 19-263

25

26 House Bill 21-1196 (HB 21-1196), which originated with the
27 Statutory Revision Committee and which updated an effective date that
28 was contained in Senate Bill 19-263, has no practical effect because
29 Senate Bill 21-260 repealed the requirement that a statewide ballot issue
30 seeking authorization for the issuance of TRANS be referred to the voters
31 at the 2021 statewide election. As such, if signed HB21-1196 might only
32 serve to confuse Coloradans.
33

34 I appreciate the work of the sponsors and the Statutory Revision
35 Committee generally, and look forward to signing many more of the

1 Dear Honorable Members of the Colorado State House of
2 Representatives:

3
4 Today I vetoed House Bill 21-1024, "Concerning requirements
5 relating to the transfer of an off-highway vehicle, and, in connection
6 therewith, making an appropriation" at 9:05 a.m.

7
8 House Bill 21-1024 (HB 21-1024) makes changes to titling
9 procedures and sales tax requirements for the transfer of off-highway
10 vehicles (OHV), and grants OHV dealers access to the Department of
11 Revenue's (DOR) vehicle services portal.

12
13 Today, OHV owners and sellers may title their vehicles but are not
14 required to do so. Titling protects a purchaser of a vehicle from
15 purchasing an item that may be stolen, has a lien against it, or some other
16 extenuating circumstance. In addition, titling facilitates insurance for the
17 item if the owner desires. While we agree that titling is an appropriate
18 mechanism to prevent fraud and theft, we are concerned about making
19 this a requirement for *all* OHVs, regardless of whether an owner is
20 intending to sell or trade-in the vehicle, or the value of that vehicle. For
21 example, if a Coloradan owns a used dirt bike of low-dollar value, that
22 they never intend to sell, why should they have to title that vehicle?
23 Putting very expensive OHVs (which most certainly should be titled) in
24 the same category as those that are inexpensive is a challenge, and could
25 put a new burden and cost on owners that are truly unnecessary.

26
27 In addition, the definition in statute of OHV is somewhat
28 ambiguous, making it even more challenging to determine whether one's
29 vehicle will need to be titled. The language defining the OHV titling
30 requirement is overly broad, including a "self-propelled vehicle that is...
31 Designed to travel on wheels or tracks in contact with the ground." Such
32 ambiguity and overly broad language could impact the adoption of new
33 technologies like electric dirt bikes or all-terrain vehicles.

34
35 Finally, we are concerned about the potential patchwork of sales
36 tax requirements that will be created by this bill, as home rule
37 municipalities will have to adopt their own ordinances to align with state
38 statute.

39
40 There does appear to be a problem with the titling of some
41 off-highway vehicles in Colorado, but HB 21-1024 does not provide the
42 holistic approach that considers the appropriate levers for all vehicles of
43 different value or use, nor adequately addresses how different parts of
44 Colorado will tax the purchase. Any new requirements to keep
45 purchasers and consumers safe from bad actors should be balanced with
46 the cost of a consumer's need to go through the effort and expense of
47 titling a vehicle they have owned for years or an inexpensive item they
48 intend to purchase.

49
50 I encourage the sponsors and proponents to work together in the
51 interim, with our subject matter experts at the Colorado Departments of
52 Natural Resources, Revenue, and Colorado State Patrol, in addition to
53 input from local governments, to bring back a more holistic approach.
54 My hope is that this new approach would either 1) include a cost floor to
55 ensure that vehicles of differing value are treated differently for the

1 purpose of titling; and/or 2) more specifically and proactively define
2 OHVs to ensure that there are no unintended consequences or ambiguity.

3
4 I hope that a solution can be completed in time to be introduced
5 next session. We want Colorado to continue to be a leader in outdoor
6 recreation, and outdoor enthusiasts should see Colorado as the destination
7 to bring their OHVs. But, this should not come with new burdens for
8 ownership, especially for current owners of OHVs and for new
9 purchasers of less expensive items. My administration will work in
10 partnership to accomplish mutual goals to protect Coloradans and keep
11 our great state competitive.

12
13 Therefore, HB 21-1024 is disapproved and vetoed.

14
15 Sincerely,
16 /signed/
17 Jared Polis
18 Governor
