About This Report

This report provides information on the General Fund impacts of pending legislation at the 2025 legislative session using data from Legislative Council Staff Fiscal Notes. Data is provided by fiscal year on separate tabs in this worksheet. The Summary Tab provides the net General Fund budget impact for all years.

General Fund Impacts

This report shows the net impact of bills on the General Fund (GF) after accounting for changes in GF Revenue, GF Expenditures, and Transfers to and from the GF. The net impact is calculated as follows:

$$\text{Net GF Impact} = \text{Revenue} - \text{Expenditures} + \text{Transfers}$$

So for example a bill that decreased revenue by (\$5,000) and increased spending by \$10,000 would have net impact of (\$15,000), i.e., the amount of General Fund available to spend or save is decreased by \$15,000. Cash Fund impacts do not show up in this report.

TABOR Refunds

Because TABOR refunds may be affected by the broader revenue situation, the Summary Tab shows the Net General Fund Impact of all pending bills both with and without the impact of changes to TABOR Refunds. For individual bills shown on the fiscal year and Appropriations Committee tabs, Net General Fund Budget Impact excludes TABOR refunds

**General Fund Impacts of Pending Legislation
Excluding TABOR Refunds**

Negative values mean less General Fund available to spend or save in the state budget (in parenthesis/red text)

Fiscal Year	Revenue	Expenditures	Transfers	Change in TABOR Refunds	Net GF Budget Impact (Without TABOR Refunds)	FTE
Current Year FY 2024-25	(\$475,000)	\$63,015,117	\$331,049,168	-	\$267,559,051	0.0
Budget Year FY 2025-26	(\$20,096,565)	\$491,286,720	(\$10,406,918)	-	(\$521,790,203)	170.0
Out Year FY 2026-27	(\$19,148,986)	(\$55,397,595)	(\$203,570,955)	-	(\$167,322,346)	281.4

Note: Net Budget Impact is calculated as follows: *Net Budget Impact = Revenue - Expenditures + Transfer*. Impacts are based on the most recent published LCS Fiscal Note for bills currently pending before the General Assembly. Bills that have been postponed indefinitely, deemed lost, etc. are excluded. Parenthesis indicate a negative value (i.e., reduction in revenue, a transfer from the General Fund, etc.)
